

Both our elementary schools and high school have achieved Adequate Yearly Progress (AYP) under No Child Left Behind on the PA State System of Assessment.

Our elementary schools have received The PA Department of Education's Gold Keystone for achieving AYP in consecutive years.

Our elementary curriculum and plan courses particularly in Language Arts and Mathematics are renown research based programs.

Both elementary schools have state-of-the-art computers and computers with internet access are also available in each classroom.

High School boasts three computer labs, one of which is located in our newly remodeled Library and is utilized by students for research or projects and assigned papers.

A full time high school career center where students may explore careers and colleges and discuss their ideas with our Guidance Department.

Updated shops in Industrial/Technology areas.

A.P. courses are offered in Language Arts, History, Chemistry, and Biology.

Approximately 80% of our graduating classes matriculate to institutions of higher education.

Recent graduates have been accepted to: Cornell, University of PA, The Pennsylvania State University, Lehigh, Lafayette, Villanova, Drexell, Kings, University of Scranton, Wilkes, Marywood, Misericordia, and many of the state owned institutions.

Teacher to student ratio in the high school "on the average" is 1:22, in our elementaries at the primary levels is 1:15, and at the intermediate levels is 1:18.

The Riverside School District rededicated all District buildings in September 2004, following three years of extensive remodeling and additions in order to help bring the District and all of its programs up to 21st century standards. These renovations along with our District's mission will enable all students attending the Riverside School District to be competitive and successful in their future endeavors.

MISSION STATEMENT

The mission of the Riverside School District is to prepare all students to be productive and responsible citizens of a changing global community by fostering:

- Lifelong self-directed learning
- Acquisition of essential knowledge and skills
- Independent and collaborative decision making through critical thinking and tolerance for human diversity, in a safe and orderly environment.

For more information on our District, visit www.riversidesd.com.

Welcome to the Riverside School District

Serving the Communities of Moosic & Taylor, PA
