Dear Parent/Guardian,

Our Breakfast Pilot Program has produced a tremendous amount of positive feedback from both our students and parents. Effective Tuesday, November 25, we wish to extend the program to ALL of the students in Riverside Elementary West. As with the pilot, students will be offered a Grab-N-Go breakfast pack that will consist of a snack bar or muffin, juice or fruit, and milk. Cost of the breakfast is free for those who qualify, \$.30 for reduced students, and \$1.00 for those who pay full price. Money will be deducted from their cafeteria account the same as is done for lunch.

Special thanks to Mr. David Woods, Superintendent, who allowed us the opportunity to pilot this program and give us the ability to provide your child with a quick and nourishing breakfast.

Also, special thanks to our teaching staff who accepted the challenge of students eating in the classroom. Their efforts with this program not only show their commitment to teaching, but to the overall well-being, growth and development of your child.

As always it is Riverside's commitment to positively impact your child in reaching their goals.

Sincerely,

Donna Gilroy
