LOCKHEED MARTIN STEM SCHOLARSHIP

Lockheed Martin is offering 200 STEM scholarships of \$10,000 each. It is designed for students who demonstrate financial need and come from an underrepresented group or underserved community. It is designed to provide opportunities to groups that are traditionally underrepresented in STEM: Women, people of color, people with disabilities, people who identify as LGBTQ, and those that are first-generation college students. PLTW students do receive priority. Lockheed Martin internship opportunities and wraparound services, such as mentorships, will be built into the program. It is open to US Citizens attending US colleges. Applicants must also meet the following criteria:

- Majoring or planning to major in Aerospace Engineering, Electrical Engineering, Industrial Engineering, Mechanical Engineering, Electrical and Computer Engineering, Computer Engineering, Computer Science, Systems Engineering, Math, Physics, Information Systems/Management Information Systems or Information Assurance
- High school senior with a 3.5 or above GPA
- Attending or planning to attend an accredited U.S. four-year college or university
- U.S. citizen
- Be willing to consider a paid internship with Lockheed Martin following their freshman, sophomore or junior year of college, other circumstances notwithstanding (note: the internship is not required to receive a scholarship)

The application process opens **January 15, and closes March 12**. For more information please visit **lockheedmartin.com**.
