DISCIPLINE POLICY FOR NON-COMPLIANT STUDENTS-DRESS CODE

A consistent policy must be in place for all non-compliant students. Many students in the learning environment are too young to be responsible for themselves. Therefore the following idea for discipline is applicable:

First Offense: Call parent and parent will bring appropriate attire for the child.

Second Offense: Call parent and detention for child.

Third Offense: Meeting with parent to review options.

Goal is to keep student in the learning environment.

Pa. Schl. Law: Section 1317.3. Uniforms—The Board of Directors in any school entity may impose limitation on dress and may require pupils to wear standard dress or uniforms. Dress policies may be applicable throughout the school entity or may be applicable to one or more school buildings within the school entity.

NOTE:
