Smart Snacks- A la cart

The Smart Snacks in Schools Rule requires that all snacks and drinks sold to students during the school day meet certain nutritional standards. Some of these standards include: grain products that must contain 50 percent or more whole grains by weight as well as calorie, sodium, fat, and sugar requirements and more. You can be confident that these Smart Snack standards are implemented throughout Riverside School District. We are also successful in meeting these standards while finding snacks that the kids thoroughly enjoy such as baked chips, Hershey's Smart Snack ice cream novelties, a wide variety of Sparkling Ice flavors , and more.

Recently Riverside Jr/Sr High School was awarded \$10,000 through the Pennsylvania School Breakfast Expansion Grant.

We will use these funds to purchase equipment to allow us to make fruit smoothies & smoothie bowls. We will also use some funds for marketing items as well. The goal is to increase our breakfast meal counts! Stay tuned for those updates!
