# PASTA BAR

This month we had our corporate chef, Adam, come to the district to assist the staff with a Pasta Bar. This is a Metz Concept, that we call our “Bravo!” station, which offers our guests with a customizable experience.

We offered two different house made cheese sauces: American or Cheddar Jack Cheese Sauce. Toppings included: Lemon Parmesan Broccoli, Roasted Red Peppers, and Buffalo Grilled Chicken.

Chef Adam helping one of our team members serve the students during lunch at Jr/Sr High School.

# Craveable

We implemented our Craveable Program, which is a build your own meal option for students similar to those found in the prepared deli section of a supermarket.

These were a huge hit with the students at East & West Elementary. Throughout the month we offered the options below:

## **Super Fruit**

apple slices, red and green grapes, mozzarella string cheese, and goldfish crackers

## **Nachos**

tortilla rounds, shredded cheddar cheese, salsa, and Goldfish crackers

## **Yogurt and Cheese Stick**

Danimals yogurt cup, string cheese, pretzel rod, and Goldfish crackers

## End of Month Stats

Breakfast Meal Count- 11,069

Lunch Meal Count- 20,300

## Next Month...

In the month of November, we will have a few catering events that we are excited to be a part of. One of those events is the “Breakfast with Santa” that the Principal of East Elementary coordinates. We are expecting a big turnout for that day!

We will also be having our “Thanksgiving Dinner”, which is always a fan favorite with students and staff!
