Metz EVS Monthly Operations Report

March 2022

Riverside School District

METZ EVS

General Updates

- Completed 71 work orders
- Collaborated with Clearview Inspections to place radon detectors throughout the School District. The Jr. Sr. High School, West Elementary, and East Elementary all had passing test results
- Pressure vessel inspections are complete. The District is compliant through January 2024
- The new Administration Building furniture is all assembled.
- New Riverside Vikings and Lady Vikings banners are hung and the cheerleader megaphones have been re-located.
