

2025 – 2026

**RIVERSIDE
SCHOOL
DISTRICT**

DRESS CODE

Student Dress Code

2025–2026

The Riverside School District believes that student appearance plays a key role in creating a safe, respectful, and focused learning environment. We encourage students to express their individuality while upholding a standard of dress that promotes responsibility, school pride, and a readiness to learn.

We also recognize the important role that families play in helping students make appropriate choices about their personal appearance. The following new guidelines are intended to support a positive school climate and ensure that student attire is not disruptive to the educational process or a risk to health or safety.

General Expectations

Students are expected to dress in a manner that:

- **Respects the educational setting**
- **Promotes personal hygiene and safety**
- **Avoids clothing that is disruptive, offensive, or overly revealing**

RSD will be moving to a more relaxed attire, yet still structured, Dress down days will be gone as Spirit Wear can be worn any day of the week. Students may still wear khaki or navy pants and a polo, but do not have to.

So What is Allowed?
