## FREE LESSON PLANS. FREE EQUIPMENT. SKILLS FOR LIFE.

The easy-to-follow Net Generation curricula helps teachers shape the game for students while using tennis as a pathway to personal development beyond the court.

### We give you everything you need:

- ✓ Comprehensive, turnkey curricula created by the USTA & SHAPE America
- ✓ For schools with a community partner: an equipment starter kit including racquets, balls, rolls of tape, chalk, and apparel for class leaders. Available this fall.
- ✓ Digital communications providing new program information, educational content, and support to build Net Generation in your school
- ✓ Free online and in-person training
