The board of school directors may cancel any day designated as a local holiday in the event of a weather emergency or natural disaster.”

Section 1502 “official local school district holidays” must be designated as “official local school district holidays” in the adopted school calendar by the board of school directors prior to the start of the school year. Once designated, Section 1502 “official local school district holidays” cannot be rescheduled and can only be canceled in the event of a weather emergency or natural disaster.
