#### Ports of Call

Un journey began late in mid-September.

We were eager to start on our way,
for a few of us this would be the last journey
we would ever take with the Vikings. Throughout
the trip we would see and experience some
wonderful events. The members on board were
great at maintaining a high level of enthusiasm
for the crew and passengers. There were
gatherings in which individuals went out of
their way to give to others and share in
one another's accomplishments.

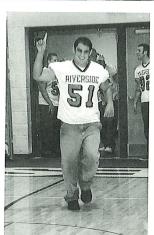

Starting off on our adventure.

Cory and Scooby.

## Voyage Commanders

s the leaders of this year's voyage it was our job to try and inspire enthusiasm into the crew members. Sometimes this was easy to achieve because we were involved with a fantastic crew. We would like to thank the crew members for all the wonderful times we have enjoyed with them throughout our journey.

Reaching for the sky.

#### Raids

Our sports teams had great seasons this year. The crewmembers will remember their last year forever, and the local inhabitants thank them for their endurance and advice.

Overall, we won more raids than we lost. The crewmembers set out to win, and that's just what they were:

winners.

Coming into the season with the promise of a great year ahead of us, we worked hard throughout the difficulties of the preseason. We had man battles between each other, but they only seemed to make us stronger. Never a day without memories being made, this group was one in a million. The 20 senions on this team were like a band of brothers. After having played football with each other our entire lives, we realized that this would be our final run at a state championship. To some of us, football had become a way of life and something we would never want to let go of. Knowing that some of us were going on to the next level, and some were going to take their pads off forever, the feeling between all the senions was mutual, this had come too fast. Only losing one game during week 3 in the regular season, the Vikings were riding high on pride, feeling as if they were on top of the world. The Vikings only got stronger as the season moved on, and they

ched even closer to playoffs. Losing was unacceptable, since the Vikings are warriors that took what they wanted and burned what was

After the bus ride, the seniors stood on their home field for the last me, not wanting to take their pads off. We took our last lap and roke the huddle one last time "forever."-

The 2004-2005 Viking Voyage had come to an end, but not ithout the Lackawanna Football Conference Division III hampionship and one of the best Riverside Vikings football teams yer. We will always be remembered.

The Golf team had a wonderful season. They rounded out an impressive 7-4-1 season with a trip to the Lackawanna League playoffs. Senior, Bob Davis, Juniors Jon Vishnesky, Shawn Ward, S.J. Kania and Sophomore, Chris Wallick, all received votes for All-League Honors and earned Honorable Mentions. Other teammembers include Mike Mekilo, Brian Williams, Mike Shimko, Tim Jurnak and Josh Carichner.

Our CROSS COUNTRY teams have always been small. We would always joke about that because you had to be nuts to run 3.1 miles when it was barely 40° and in shorts and a tank top none the less. Even though we always had a small team, we were very close and we had so much fun. Every year when it came time to sign up, we would wonder why we were going to put ourselves through this again. The answer: because we knew it would be the best part of going to school each morning.

Nov. 11, was just like any other day for us, practiced ensued as usual. This practice was special. It was the beginning of a season 3 girls in particular would never forget. We always began practice with our favorite drills. Eleven-man, Sevens (which blue always had an upper hand on, Justine), UConn and Stanford square. Our season was filled with memories, both good and difficult. No one will ever forget the buzzer shot by ,Marissa, in the Old Forge game with .4 seconds left in regulation that led to our victory. Our favorite memories would include; beating Lakeland to move onto the District II Championship game, Penn State camp during the summer and Marissa Chisdock scoring her 1,000th point on Jan. 17th, against Elk Lake. Despite our differences, we always seemed to unite as a team and grow as sistens. The underclassmen are truly the best girls anyone would ever want to meet. They are dedicated, caring, funny and bright. There was never a dull moment during practice or

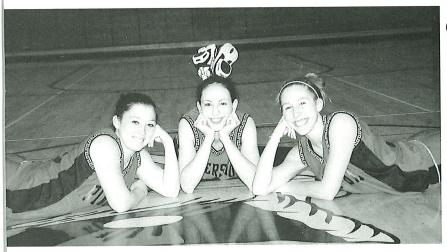

a game. Senions never had to wormy about lack of heart from these girls. In the end, the most difficult but rewarding experience was on March 9, 2005. As senions, to excel above the level that we had set for ourselves last year left the three of us speechless. We are taking with us a million inside jokes, bruises that we believe will never go away, a locker full of clothes and bottles and seventeen imprints in our hearts.

Captains : Justine Fauver, Ashlee Thomas, and Marissa Chisdock.

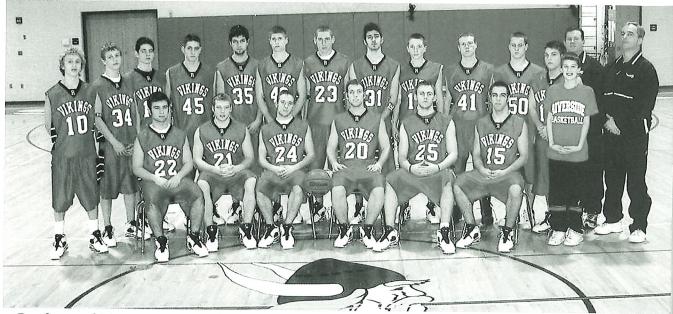

## Basketball

Back Row : Jon Vishnesky, Casey Sunridge, Tenrin Kelley, Billy Shea, Mank Odgens, Matt Lane, Rich Rossi, Mike Mekilo, Jeff Herie, Sean Ward, Tom Kazmiercik, Ryan Fratzola, Assistant Coach James Armillay, Head Coach Mike Mongan, Team Managen Tommy Armillay, Front Row: Danny Charette, Ryan Hewitt, Jeff LaMotta, Cony Sunridge, Rob Ash, Jeff Odgens.

Returning 5 starters from last season, the Vikings had one goal on their minds. A run at the state championship. Under the leadership of senior captains Jeff LaMotta, Ryan Hewitt, and Jeff Odgers, the Vikings rolled through the regular season and into the playoffs, but not before blevitt scored his 1,000th career point on Feb. 7th against rival Old Forge. Fighting through the playoffs, the boys defeated a tough Monthose team to advance to the first hound of state playoffs. In the first hound, the Vikings faced their biggest test of the year-Notre Dame-Green Pond, which was the number one team in the state. With a smothering defense and quick hitting offense, the boys prevailed with a victory, and entered the Eastern Quarterfinals. Against Trinity the Vikings played hard, but were defeated. Everyone will always remember the J-Mac chants in the hallways, Cony Survidge's half-court shot at the end of the Trivity game, Terrin Kelly's AND-1 skills and Matt Lane's heroic efforts in the final minutes of the Sacred Heart game. Good Luck in the future to all of the seniors, as they will be sorely missed

On Monday, February 7, 2005 Ryan Hewitt scored his 1000th career point vs. Old Forge.

Captains, Ryan Hewitt, Jeff LaMotta, Jeff Odgens.

Blow Your Horn!

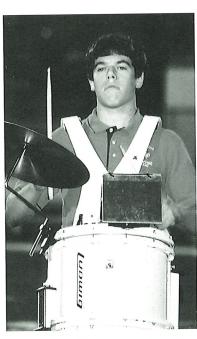

Who Said Riverside Band Isn't Cool?

Over the past few years both the marching and concert band have grown considerably. They are under the direction of Mr. Ron Geise. This year's Drum Majorette was Sara Heckman. The Senior Captain was Sara Snodgrass and the Junior Captains were Tara Rhodes and Lynsey Peters. A lot of hard work, dedication and fun went into preparing this year's field show. They performed a hard-rock show including the songs "Crazy Train", "Breadfan", and "Inon Man". For the first time, the marching band participated in the Band Cavalcade at North Pocono High School, resulting in our first trophy in many years. The representatives for County Band were Sara Heckman, Jared Jones, Tara Rhodes, Kristen Bracey, Kalli Snodgrass, and Caroline Moskwa, setting a record for most participants thom our school. The representative for the Pennsylvania Music Educators Association District 9 Band was Sara Heckman. Sara Heckman was a participant at the PMEA District 9 Band Festival held at West Scranton High School in January. This was Sara's third appearance.

ho would've known our senior year would be here so soon. It seemed like graduation would never come. Over the years, we formed friendships that will last us a lifetime. Even though we are now going separate ways, we will cherish the bonds we formed in elementary school, and look forward to making new friends in our college years.

# Extra Experiences

here are things we experienced along the way that need to be mentioned. Some of the events were athletic challenges. Where we showed our strength and courage and come out victorious. We also attended gatherings where we were able to show off the beauty we as a group share. All of these events will forever have a special place in our hearts.

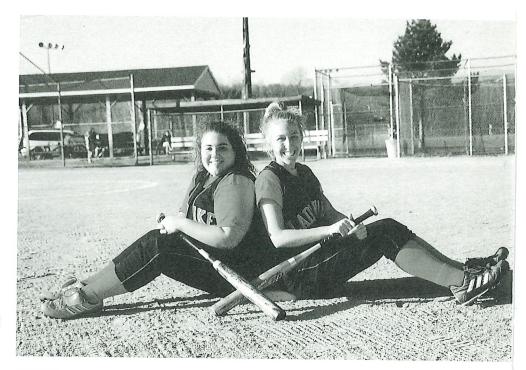

Matt Lane signs up with the U.S. Coast Guard Academy

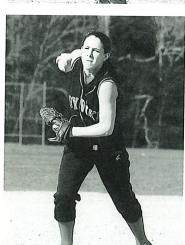

# Softball

The Lady Vikes started the softball season practicing in the gym with their new assistant coach, Colleen Ross. The season was filled with many experiences. Amber Nicholson pitched a no-hitter against Mountain View and seniors Marissa Chisdock and Sarah blines enjoyed their last softball season at Riverside. In the district playoffs, the Lady Vikes fought hard to overcome a poor first inning in the field. Sam Pham's two run home run in the top of the 7th inning brought the Lady Vikes within one of a 14-1 Dallas team. blowever, the Lady Vikes came up short. The season ended with a memorable bus ride back to Riverside, which for

two of us, it was the last as a Lady Vike.

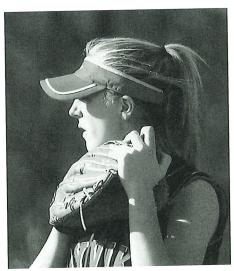

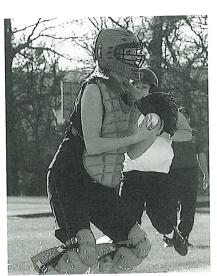

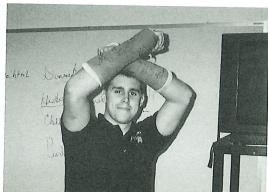

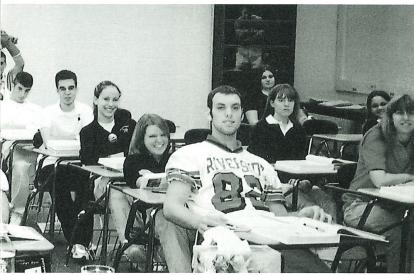

# Baseball

With last year's end of season collapse fresh in mind, the members of the 2005 Riverside Vikings varsity baseball team began the season early hitting the weights and heading to the batting cages in early November. In February, with snow still on the ground, the team headed to practice indoors at The Playing Fields Sports Dome in Jessup. Anxiously awaiting the warm weather and the start of the new season, the eight seniors ate, breathed, and slept baseball for the next two months.

Under the leadership of senior co-captains Bob Davis and Matt Wzorek, the Vikings rolled through the preseason and into their first contest against the Dunnore Bucks. The Vikings came out victorious, 7-3, and were well on their way to an undefeated regular season. Accomplishing at 14-0 regular season had only been achieved three times prior to the 2005 season. For the 7th straight year, the Vikings displayed their dominance, and won the Lackawanna League Division III championship.

Though our season did not end as we had all hoped for, it was successful nonetheless. We will take with us our many memories, friendships, and

laughten. Some of us may hang up the cleats and gloves foreven, but we will always be part of the Riverside Baseball family.

## rack

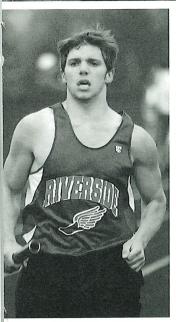

This year the numbers didn't tell the full story for our track team. Although we didn't have a winning season, the job our team did with its small number of athletes was phenomenal. The team consisted of thirteen closely knit guys who gave it their all every day, even when defeat was almost certain. Every member of the track team was dedicated to performing to the best of their ability day in and day out. The results of that dedication showed at districts where nearly every member who participated had a personal best. We had two seniors on the team this year. James Webb and Matt Lane. James or Jimbo as the team calls him brought a different type of character to the team. Undannted by failure or any other negative element, he was a welcome relief to the team. Matt Lane was the team captain this year and kept the team in order during some difficult times. The team had a lot of fun and they will never forget each other. Good luck next year!

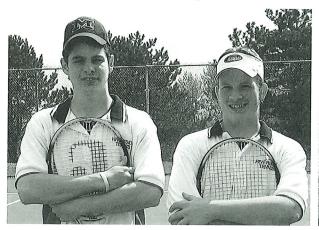

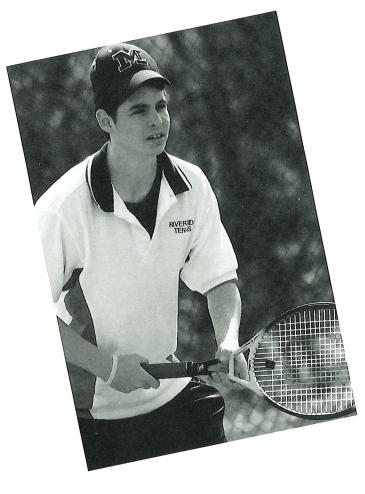

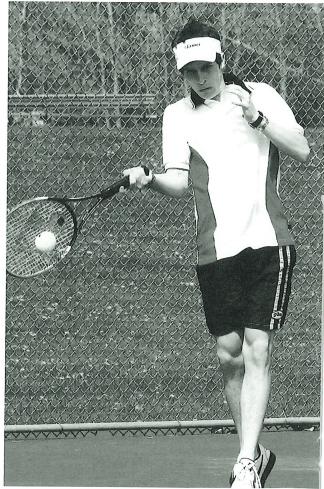

ennis

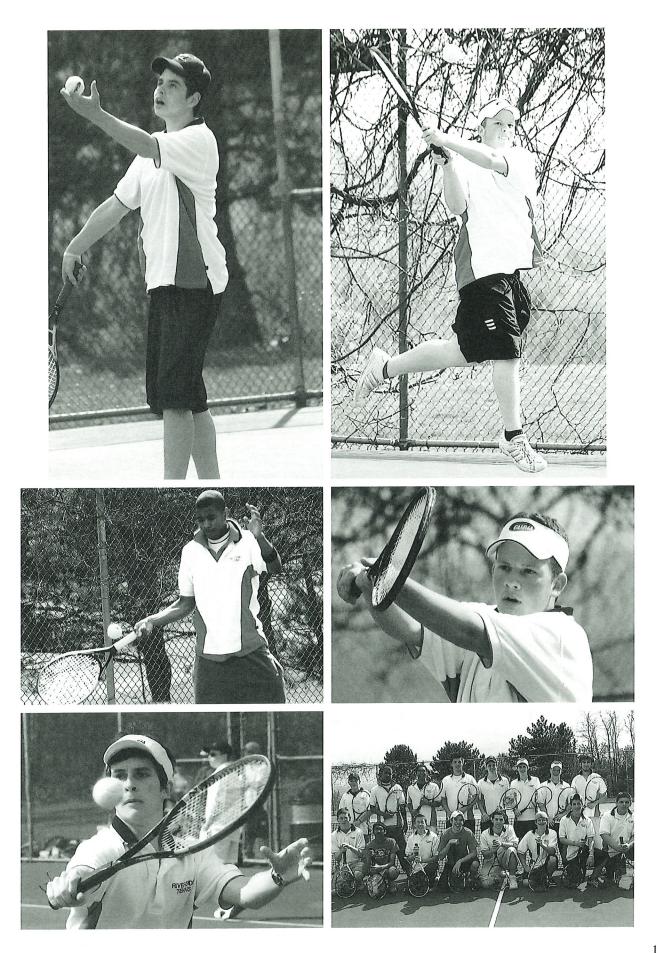

Tennis wrapped up its 2005 season with a record of 7-2, the first winning season in five years. Seniors Tennin Kelly, John Movack, Javam Barnett, CJ Martini, Jason Hurley, Phil Hoberek, and Rahul Dani all contributed greatly this season. Not only did these seniors have accomplishments on the team level, but individually as well. In the singles round of district tennis, Riverside's #1 Tennin Kelly, was seeded 9th and ended it to the Sweet Sixteen. In doubles district tennis, the pairs of John Novack and Tennin Kelly, and that of CJ Martini and Javam Barnett, both did well. Although CJ and Javam did not make it past their second round, they played an impressive hour long match against Honesdale. Tennin and John, having a by in the first round, won against Dallas in their second round, but ended their senior season in the third round against Coughlin. The seniors will be greatly missed by all of their teammates.

Prom

It was a moment we wouldn't forget. A moment unlike any else. In a moment like this, there was laughter and dancing. The Queen and her count were announced. The winners were. Amanda Almisch-Queen's Scepter Bearer, Jessica Plisko-King's Crown Bearer, Kim Eastman-Queen's Crown Bearer, Nikki Quick-First Junior Attendant, Sara Aleckman-Second Senior Attendant, Ashley Shimko-First Senior Attendant, Brandon Bell-Prom King and Amber Loiselle-Prom Queen. The night was full of fond memories and the seniors would like to thank the juniors for a wonderful prom. We will always take with us moments like that.

#### Scene, 6,00 News Broadcast November 2025

C-Good evening and welcome to the 6 o'clock news. I'm Colette Guzik ...

K-.and I'm Katie Tempangh. On top story today, Kaitlin Bushinski Lare has just won the presidential election, making her the first fremale president of the United States. Kaitlin had a rearly unanimous win after the other candidate was caught cheating (looks at Katie) I believe her name was stellen?

C- Helen? Hallie?

K- of well, her name isn't important! Mrs. Lone and her first man/ advisor, Mathew Lane, will be moving into the white house at the end of the month. It's been said that her first executive action as president is to from a peace treaty with the leader of Japan, Empress Barisa Bundoswei, more commonly known to American's as Varessa Buldowski.

C- In local vews, Gerald Coolbaugh has once again announced his 15th consecutive try at running for the mayor of Moosic. Although no victories have come about for Mr. Coolbaugh, he later told reporters "Dude, I got this far, I ain't vever givin' up."

K- A fike broke out last right at around midwight. The owner of the house, Corey Hahn, lost all possessions and was offered a position in the Guinness Book of World Records for the "Unluckiest Man Still Alive." Firefighter, Brian Malvizzi was called to the scene and eventually was able to control the flames.

O- Also in the Guiwess Book is Taylor resident George Pettivato for the Tallest Man in the World. Mr. Pettivato is currently standing at 9 feet 0 inches after an unexpected growth

spurt.

K-Moving on to entertainment, Actress Kate Beckinsale publicized her marriage to Doctor Jonathan Perez this week. It's said that Dr. Perez was the surgeon who performed the lifesaving operation on the star.

C. Director John T. Ferack announced the production of his revest film Jurassic Park 5. Ferack is also the director of Jurassic Park 4, which is currently playing in theaters. K-  $\mathcal A$  new face at the Grammy's this year rap artist Tom Getz will be sporting the usual top

hat and cane as he walks down the red carpet.

C- And now for the sports. Only his second season of playing on the NBA and 76ers teammate Robert Ash has been voted off the team. After numerous arguments with the coach and the incident where he kicked over the Gatorade cooler, the other players took a vote on whether he should be allowed to stay on the team.

K-Bowling champion, Ryan Chanles, has won another victory during last right's competition. He later told reporters "I couldn't have gotter this tran without my best triend and coach, Ed Janosov. Ed was so determined to go undefeated that he kept me practicing until all hours of the right." He was then drowned out by the victorious screams of his coach and was later knocked out of the cameras view by Mr. Janosov.

C-Golf player Bill Pabst lost another tournament on Monday. PGA officials were confused about how he got on the tour to begin with. Mr. Pabst puts the blame for all errors on his caddie, Robert Davis. According to Pabst, Davis purposely handed him the unong

clubs every hole.

K-Tervis partners Javaur. Barrett and Terrin Kelly have been demoted to the teams ball boys after the two were caught in the middle of the biggest scandal since Macennoel (Colette starts talking to someone behind the curtain while Katie talks.) Both men deny all claims against them.

C-This just in There's a police chase in hot pursuit! Officer Virginia Mainer is on the scere. The chase actually involves three cars and started at a Josh Gracin concert. After the town bus left the concert, they reported a small purple car following their every move. The driver of the purple car is Moosic resident Carl Martini, who was always a big fan of Gracin. Filming the chase is camerawoman Megan Joslin. The footage will be aired on the television show COPS later this weekend.

K- Speaking of concerts, be sure to catch the Coldplay concert at Montage next Friday. The members recently made an addition to the band, pianist John Novak will also be

performing with them.

C Our camera crews have footage of the "rew" Coldplay's performances in other states. It's fivry Katie, in every tape there's the same girl standing right in the front row! Reporters later found out her name was Marissa Chisdock. Although she has no relations to the band, she's always seen at every concert.

K- Haha, that is fuwy Colette, well thaws for joining us everyone, have a nice night and be sure to tuve in for the news at 10. Goodnight!

C-Thanks, bulk-byel

\*ballse

C- phew! That went well. (Katie agrees) Hey, did you notice that all of those people used to be in our high school? I'm almost positive they were all from Riverside!

K-Really? Speaking of classmates did you see Brandon Bell's new show?

C- Yea! He's so lucky. I still can't believe that a talent scout was watching the Riverside afternoon amouncements and gave him his own talk show! I love the episode where he has the comedian Nick Talarico as a quest star.

K- Wow that's noted I hear it's stationed in New York (Thinks to self) Hey I wonder if he ever non into Louie Agostini, I heard that he, kaleigh Rosko and Sarah Hines all moved there and became the pimps of Yorkers, NY.

C. Oh yea? I think the Speck brothers are also working on the streets of  $\mbox{\it New York}$  as soda verders.

K-You know, I actually think I might have seen then up there the one summer. I think I saw Keli Szymanski buying a diet Coke- she's a model now you know.

C- Wow that's great? What does she model?

K- All kinds of clothes! Alison Ambrose opened a wild fashion line of clothes to wear "outside of school" and Steph James has a fashion line that's real popular at blot Topic.

C- Does she work for Michael Stalbird by any chance? I heard he's a modeling agent now. He always was with a lot of girls.

K- I heard Johanna is living in New York too.

C- Yea she became a forensic scientist for the show Unsolved Mysteries.

K- Hey did you hear about Phil Haberel? He trivally made it to Broadway!

C- I've never seen him there what has he acted in?

K-Well I were said he acts there he's actually one of the javitors.

C-Besides New York, I heard a lot of our classmates wart as far as California. I saw Brandon Bercoski on the West Coast Customs crew. He was busy pimping cars for Tom Beckage and Amarda Kester.

K- I thive Kyle Chludzinski got a job in Cali too. I heard he mastered the Spanish language after giving up on English.

C- Didn't James also head west?

K- Yea he became a rhinestone cowboy, he could never resist the tringe.

C-What ever happened to Domenic Depaolo? I heard he's in California too.

K-Someone told me that he entered a body building competition there after all that weight lifting he did in high school.

C ON yea I heard that too! It's too bad he didn't win though, he probably would have if Mike Francis didn't exter the same competition.

K- Yea he's really ripped! I wish I could go there to see one of the competitions!

C-Well while you're there you can see Mike Richards too! All of those years of dancing at Illusions made him realize that dance was his true calling.

K- Justin Zahonvacky did a few car shows in California recently. He always did love adding more customs to his car. I think his next show is in Michigan

C-Really? Sarah Russick is in Michigan! She's the monkey keeper at the local zoo.

K-Didn't Alicia De Angelo move out of Pennsylvania too?

C-Yea she's now living in a camper in Alabama.

K-Somehow I could see that coming. So what about the people who stayed local? C-Well some of them inherited their parents' businesses. I just ate at Grande's and saw

Matt Basile numing the place.

K-Oh cool! I know Pete Osmolia's in change of the gas station too.

C- And you know those Colgate commercials with Tejo Yalamanchi?

K- Yea, he was always smiling in high school. what about it?

C. Well Eddie Grambo took over the dentist office and gave Tejo that perfect smile.

K- Speaking of commercials, Lindsay Webb neads the warnings that you hear at the end of a lot of them.

 $\mathcal{O}$ . You mean those people who talk really fast? That's perfect! You can never understand what they're saying!

K-I saw a commercial the other day for the psychic named God.

C-God? Isn't that what they always used to call Brian Miccicke since he was all knowing?

K-Yea, I guess the name stuck with him after he got his own hotline.

C-I guess some things don't change. Like remember how Micole VarLuverder always used to read Japanese comics? Well she makes them now! And some people even kept their jobs from high school!

K- Of yea! I saw Gany Davis at Price Chopper. He was telling me about the chain of stones he owns.

C- And Julianna Stroke was telling me that she became the assistant manager of Kmart. Probably so that she could work side by side with the manager, Jenry Selwocki.

K-It tigmes! Josh O'Dowell is the manager of the Burga King in Old Forge. Did you hear about Mallony Bruwetti's beauty shop in Old Forge? I guess all those French braids in chealeading paid of th!

C-I always used to see Brittary Ariska going there to get her hair dyed, until it all fell out!

- K-Well that's not a surprise, but at least she's not alone. Corey Surridge also went bald!
- C-I never saw him in Mal's shop though. Did he go to Amarda Walter's shop instead?
- K- Probably. one bad haircut and it never grew back!
- C-Well I guess these two rivals are even now that they both lost one customer!
- C-While we're on the topic of Old Forge, James Gallagher is still down there skateboarding. Aren at the age of 37!
- K- And isn't Jett Odgens still driving his mom's mini van?
- C-Yea, I saw him and Countney Enilsson pass that billboard on Davis Street that read "Happy 36th Birthday Countney Enilsson"
- K-Isn't Nadene Harmer uniting slogans for billboards?
- C. No, she tried but you remember what happened in cheenleading when she tried to make up sized
- K-410ka, oh yea! I still see Lyndsay Hall, April Staretz, and Colleen Weisenflu cruising around Main Street in the blue woon
- C. And Tittany Reviello is anising around too now that she finally got her license last
- K-Well Bob Taft isn't hauging out on Main Street anymore. After being kicked out of the Mascar shop so many times he finally kicked them out when he took over the store.
- C-Speaking of kicking people out, Sana Heckman finally took over the position of Calculus teacher. She's still sporting the tradition of blue fingers.
- K-I heard Amarda Sopko took over Mrs. Roche's position as Units Director.
- C- And D.J. Hoffman took over Rebar's position as Football Coach.
- K-Speaking of football, Matt Robochik became an NFL star. He was practically famous his first year!
- C-Isn't Brandon Williams on the same team as him?
- K-Well he's not actually on the team. However he does get to be surrounded by cheerleaders as the mascot.
- O. I'm pretty sure Nicol Lemoncelli and Matt Wzorek went to one of his games this season
- K- Aren't they married?
- $\ensuremath{\mathcal{C}}$  Upp, and Števe Stritt married into the LaMotta family when he married Jeff's younger sister.
- K. Aren't their kids in some of the same classes with Tyler Calvey? Wait. did he ever  $\mbox{qnoduote?}$
- C- I don't know. did he? (both shrug)
- K-Billie O'Dowell is still at the school too, but she's a chaperone for every event.
- C- Like mother like daughter!
- K- I think their kids take dance classes together at Justine  $\mathcal F$ awer's dance studio.
- C- Justine has a dance studio?
- K- Well it took a few years before Gina Aldrich was finally forced from the Moosic Youth Center, but at that point Justine gladly took the open position
- C. It's too bad that Steph Yatsko and Benz aren't so stable in their marriage. They've been to divorce count 14 times represented by the Ashley, Ashley, Ashlee, Ashley, and Cartwright Laufrium.
- K-Wait, that's only from Ashley's wasn't there five in our class?
- O-Well Askley Shimko married Ryan Hewitt instead. Those two also aren't very stable in their marriage. They have to go to Sara Snodgrass.
- K-Sara? Isn't she a manniage counselon?
- C- Yep, she decided to turn around that well-known pessimistic attitude and become a counselor to help others be more optimistic.
- K-9Now, who would have guessed! I also heard that Tony Scarnato and Dava Lownence were engaged. But there were rumors that Tony was going to call off the wedding after he found out that Dava count cook.
- On I guess that saying is true, the only way to a man's heart is through his stomach! Oh yea! And did you know that even all these years after college Katie Wierzbicki and Tina Walsh still live together?
- K- Wow that's impressive... but didn't Katie manny Ben Lippenini?
- C. Yea but Katie and Tina refused to be separated, so Ben had no choice but to move in with them.
- K-They have very well-behaved kids. A threat to be sent to Steve King's boot camp would straighten anybody out!
- C. Well it's not really that much of a threat arymore. Steve got fixed from the job because he veres showed up!
- K-I heand their kids go to Dr. Rahul Davi. He's their pediatrician
- C- I bet they make so many visits there. Those kids are caudy-aholics thanks to Kristen Scattma oud Sara Barick
- K- stey, their caudies are so addicting, I'm pracatically obsessed with them!
- C- Haka, at least you didn't build a shrine for them.
- K-What? Who built a shrive?

- C-Surprisingly two people did! Amber Loiselle completed a shrive dedicated to the love of her life: Mr. Hyduchak! And in the meantime, Jessica Scarnato built a shrive dedicated to the love of her life: Spongebob!
- K-Wow that's a little extremel However, Derek Anselmo plays air guitar in his basement while fourtasizing about being in ACDC, and Jess Reviello stays in her basement frantasizing about Derek!
- C-I hear Felicia Koester is obsessed with looking for her blender.
- K. I heard that Aaron Moran and Jamie Barbuti are still looking for Elizabeth Mardawi
- C. Just Aaron and Jamie? I'm surprised he didn't bring his posse of younger girls along
- K-And while most people were obsessed with the opposite sex, Jason Hunley was obsessed with physics!
- C-But with all those trial and errors, where does all that garbage go?
- K- Well Bryan Besecker is the local garbage man he'll take care of it.
- C. And Davielle Patt was obsessed with growing her hair out since 11th gradel
- K-What even happened to Billy Ciccove? He used to always be so quiet in school!
- O-Well he's not quiet anymonel ble's now expressing himself as a male dancer!
- K- Wow that's hot! Haha. oh my gosh look at the time! I'm going to be late for my second job!
- C- You have a second job?
- K-Oh yea, I've been neconding Chipmunk Sing-A-Longs for the past year! Where are you headed of to?
- c-Well I figure I shouldn't leave my husband alone any longer with the twelve kids. Lucky thirteen is due in March!
- K-Oh well good luck with that! Bye!
- C- Bye!

Gradation day is veny near Soon we will face The world we do fear

No matten what in our future We shall all decide We will never forget It began right here at Riverside

Comfort is lost
But confidence is gained
Respect and admination
Will always be sustained

As we walked through the halls Of this great school There was never a teacher We could find we could fool

Though is seems Mr. Ruthkowski can't take anymone We'ne sad to say He's also headed for the door

Construction went on Forever it seemed Hitting our heads On wires and walls to be beamed

The uniform policy
Drew a bit of contention
Sending many a student
To In school suspension

Too short or too long Wrong color or size There were many a days Everyone rolled their eyes

Our best subject was Economics by far We learned 101 ways To sell a candy bar Senior projects we dreaded Though persevered through the test Stood before the committee And gave it our best

Sports and competition
Were always a hit
Through all of the playoffs
Hardly anyone could sit

The boys did well The girls the some Both remembering "it's not if you win on lose" But how you play the game

> Unfortunately tragedy and sadness Struck us this throughout the years But we still had each other To wipe away the tears

> > The prom make us realize The end is very near As we danced the night away With each and every peer

> > > In quiet essence We spent Class Night Hoping our dreams Will take the right flight

We laughed and we cried As we reminisced from pictures past Realizing our lives are moving Much t∞ fast

> With a song in his heart John completed the evening Leaving us all In each other believing

So with mixed emotions We leave Rivenside High I'm sure you'll tind A tean on two in every eye

As the Class of 2005 Comes to an end We bid goodbye To the best teachers and all of our friends

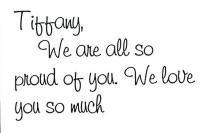

Salute to Riverside Sarah Russick

Two wonderful people we are glad we had the chance to know.

The voyage has come to an end. It is time for us to say goodbye. Along the way we have met many wonderful people and have cherished the time we spent together. For principal, Mr. Robert Ruthkosky, this was also his final voyage and we wish him the very best as he starts out on a new journey. To our fellow crew members, all the best as you too start out on your own journeys.

### THE NATURE OF THE BEAST

We started the year watching Mother Nature repeatedly batter the US east coast with hurricanes. Then we watched as Martha Stewart weathered her court battle. And the climate in Iraq became hostile prior to the country's first democratic election. But all of that seemed trivial after the Decemer 26 tsunamis in South Asia. Not only were they the biggest news event of the year, but they rank among the most devestating natural disasters in history.

#### FLORIDA HURRICANES D

Schools along the east coast have a hard time getting started because of hurricanes Bonnie, Charley, Danielle, Earl, Frances, Ivan and Jeanne.

#### S ASIAN TSUNAMI

Earthquakes in the seabed of the Indian Ocean measuring 9.0 on the Richter scale trigger tsunamis all across South Asia. The tsunamis devastate villages and resorts in more than 10 countries, leaving over 280,000 people dead or missing.

#### WAR IN IRAQ D

Major fighting continues in Iraq.
As US forces try to bring
democracy to Iraq, insurgents
carry out a series of attacks
discouraging Iraqis to vote in the
country's first democratic election.

#### SEARCH FOR D "FORTUNES MADE..."

Google's co-founders Larry E. Page and Sergey Brin become billionaires overnight after their online search engine's stock goes public.

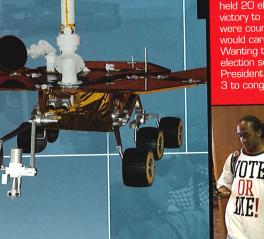

#### ...THEN SEARCH FOR "FORTUNES LOST"

Not all stock market deals create billionaires. Martha Stewart was convicted of lying to investigators about her sale of ImClone Systems stock and serves a five-month prison sentence followed by five months under house arrest.

## ELECTION

The 2004 Presedential Election had the potential to be as close and controversial as the 2000 race. Nearly 120 million Americans voted on Election Day, the highest turnout since 1968. Some citizens waited in line for as long as five hours to

cast their vote (below). Many thought that the high voter turnout indicated a surge of support for Democratic candidate Sen. John Kerry (left), others speculated that the nation was rallying to re-elect President George W. Bush (above).

W. Bush (above).

And after the polls closed on November 2,

2004, many Americans went to sleep without knowing who their next President would be. Ohio was "too close to call," and held 20 electoral votes, enough to bring victory to either candidate. As the votes were counted, it became evident that Bush would carry Ohio with over 100,000 votes. Wanting to avoid a repeat of the 2000 election scandal, Sen. John Kerry called President Bush on the morning of November 3 to congratulate him on his victory.

This year kept us rooting for the underdog at the theater. We pledged allegiance to Average Joe's in dodgeball, we pined for Spongebob and Patrick to prevail over Plankton, and we campaigned with Napoleon to put Pedro in office as class president. The odds were stacked against Harry Potter, the incredible Parr family, and the Permian Panthers as well. Be it a big-budget blockbuster or an inexpensive indie-flick, as long as there's a good story along the way, we'll see our heroes through thick and thin until

### IT'S HOW YOU PLAY THE GAME

Every year, athletes set out to break records set in years past. This year was no different, but brought added drama. Would the mighty BoSox break the Curse of the Bambino? Would Lance win six in a row? Would the Patriots win again? These questions weren't answered without a little bit of nail-biting. Hockey and basketball fans followed Court TV more closely than ESPN this year, hoping to see an end to the NHL lockout or hear the latest on the charges pressed against NBA players after the Staples Center brawl that occurred in November. How's THAT for drama!?

#### SUPER BOWL XXXIX

For the third time in four years, the New England Patriots win the Super Bowl by three points, this time against the Philadelphia Eagles.

#### A HIT RECORDS

Ichiro Suzuki of the Seattle Mariners racks up a record 262 hits in a single season,

a dramatic O-3 comeback
against the New York Yankees
in the American League
Championship Series. They
go on to sweep the St.
Louis Cardinals 4-0 in the
World Series, breaking
the 86-year-old "Curse
of the Bambino" and
bringing a collective sigh
of relief to Red Sox
fans everywhere.

#### ESPN TURNS 25 D

Alpha-anchor Chris Berman and the rest of the cable sports network's knowledge base celebrate ESPN's 25th birthday in 2004.

#### N HOCKEY LOCK-OUT

NHL players and owners can't agree on financial issues, so the players stage a lockout, preventing the NHL from playing until the issues are resolved. In the meantime, many NHL stars play in European leagues.

## OLYMPICS (

In 2004 the Olympic Games returned to Greece, their birthplace. A total of 10,500 athletes from 202 countries competed, a record turnout despite speculation of terrorism and anti-Americanism. The United States took home more medals than any other country -103, 35 of them gold.

Mia Hamm (above), one of the most famous U.S. soccer stars, announced her retirement and blew a good-bye kiss to the crowd after her team secured a gold medal. "There are only a few times in your life when you get to write the final chapter the way you want," said Hamm about the USA's gold medal.

Justin Gatlin, Bernard Williams and Shawn Crawford (above, L-R) of the U.S. swept the men's 200-meter final, after their introduction generated boos and heckling from the crowd in Olympic Stadium. The fans were upset that the Grecian sprinter Kostas Kenteris wasn't allowed to compete due to drug charges.

### ARTISTS ARE VARIOUS AND NEFARIOUS

Musicians often stay in the spotlight by breaking out of their mold and trying new things. This year, Sean "Puffy" Combs took the lead role in a Broadway play, Gwen Stefani took a break from No Doubt to release a solo album, and Green Day brought us their first concept album. But Ashlee Simpson's unexpected antics garnered the most attention: She was busted lip-synching on Saturday Night Live, and was later booed after her performance at the FedEx Orange Bowl.

#### THE GREEN PARTY

Green Day releases their album *American Idiot*, showing a more mature, politically-minded side than we've seen in the past.

### PLENTY OF REASONS TO STAY HOME

While there were still a slew of "Survivor-esque" reality shows on the tube this year, we also saw more and more renovation-driven reality programs as Americans took an interest in redecorating their homes or "pimping their rides." But there was also evidence that Hollywood hadn't written off its writers completely. Well-penned dramas like *CSI:NY* and *Lost* gave us a great escape from reality, while Comedy Central's *The Daily Show* gave the nightly news a slant that caused us to laugh out loud.

#### D BIKERS THAT BICKER

Reality renovation show American Chopper is a favorite among those who enjoy watching mechanics practice their craft, and those who enjoy seeing father and son argue while they work.

#### "YOU'RE FIRED"

In *The Apprentice,* competition and boardroom drama escalate until one winner is given a dream job with The Trump Organization and a six-figure salary.

#### THE OUTLAW JESSE JAMES

Sparks fly as teams race to build hot rods and race cars in *Monster Garage,* hosted by Jesse James.

#### WATCHING THE D DETECTIVES

This year CSI took their high-tech forensic investigations to the city that never sleeps in *CSI: New York.* 

#### WHERE ARE WE? D

**Lost** follows 48 castaways who try to survive on a deserted island. Luckily, none of them are named Gilligan.

#### DAILY DOSE

Comedy Central's *The*Daily Show with John

Stewart is America's

most trusted name in fake news.

### THE TY D

Ty Pennington, host of Extreme Makeover - Home Edition, brings people together with completely renovated homes for deserving families.

### WHO NEEDS DA TRAVEL AGENT?

Grab your best friend, sister, significant other or grandma; whoever you think would be the best teammate in *The Amazing Race*, an elimination-style race around the world for a million-dollar cash prize.

#### JOEY

Joey Tribbiani trades "Friends" for family when he leaves Central Perk behind and heads for Hollywood, where he takes his nephew under his wing.

### IT'S NOT SO BAD BEIN' TRENDY

Call it hip, popular or even conformist - this year's trends were more philanthropic than in years past. A little yellow bracelet raised big money for cancer research. A healthy diet has become so popular that fast-food restaurants are doing away with their "super-sized" menu items. And Ford unveiled the first Earth-friendly hybrid SUV to the delight of tree-hugging soccer moms everywhere.

#### EASY TO SEE, HARD TO FIND D

The first five million of these Lance Armstrong Foundation bracelets sell out quickly and start a trend that raises over \$20 million in the fight against cancer.

#### HOODIES OFF THE HOOK

Hoodies are a cozy alternative to wearing a jacket, and they can sport your favorite band, team, or even website!

#### A FAITHFUL READERS

NCV breaks the Bible down into easy-to-read magazine form. *Revolve* is for girls, *Refuel* is for boys.

#### TWO COOL FOR SCHOOL

The Olsen twins turn
18 and head for
college, but not before
launching a clothing
line for teens. Their
summer job makes
waaaay more money
than yours.

#### LOW-CARB

To attract lowcarb dieters, fastfood restaurants start offering tortilla-wrapped menu items.

#### MOTHER EARTH'S SUV

Ford introduces the first hybrid SUV. Using electric power as well as gas, the Escape Hybrid is more fuel-efficient and more environmentally friendly.

#### IT REALLY HAULS

The Dodge Magnum makes grocery-getters cool again. With a 340-horsepower 5.7-liter Hemi V-8, this station wagon hauls a lot more than just cargo!

### GIZMOS, GADGETS AND GREAT GEAR!

Who says you can't take it with you? This year saw portables get even more popular. Sony and Nintendo each released new handheld game platforms, while Tapwave released the Palm-powered Zodiac for more organized gamers. People who take their music with them had a plethora of MP3 players to pick from, and Apple released the Mac mini, a desktop computer that challenges that whole "bigger is better" philosophy. But with all these gadgets, a bigger backpack would be nice.
