The Riverside music program has never been a large one, and the number of students in it has declined greatly over the past year. The students who stayed (as well as those who just joined) have pulled through despite the small numbers. They have helped keep the music alive in Riverside. The departing seniors hope their successors will continue to help the program flourish.

Girls' Basketball

The Riverside Lady Vikes ended a tough season with thirteen wins and ten losses. They worked every day to get better and fought through every game like it was their last. Every team member, whether it was on the court or on the bench, had a job to fulfill. The two graduating seniors, Breana Olanovich and Natalie Sottile, each brought their own talents to the court and supported each and every one of their teammates. The Lady Vikes prevailed through thirteen games, beating the number one team Holy Cross in the process. The team was centered around underclassmen, including freshman Kayla Rose and Emily Taylor who had a lot on their hands but stepped up to their calling. Along with the two starting freshman, juniors Haley Tilberry and Julia Antoniacci contributed to the team wins. Julia Antoniacci was the team's leading scorer and Haley Tilberry was a quick defender and a key play maker. Also a starter, captain Natalie Sottile, was committed to making plays and making assists. Breana Olanovich was the spark off the bench; she made multiple game changing plays and contributed to the intensity on the court. The Lady Vikes had a great season, and every girl contributed to helping the team finish with a winning season.

First row: Breana Olanovich and Natalie Sottile.

Second row: Julia Antoniaci, Haley Tilberry, Marli Hoskins, and Olivia Fedor.

Third row: Emily Taylor, Brynn Stambaugh, Maria Laboy, and Kayla Rose.

Fourth row: Coach Mekiello, Ashlynn McNaley, Allie Nenish, Dorseylane Rebillard, Alese Karpinski, Bella McKeefery, and Coach Rupp.

Track and Field

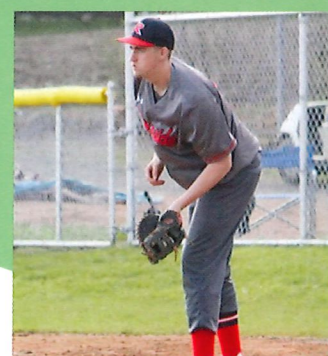

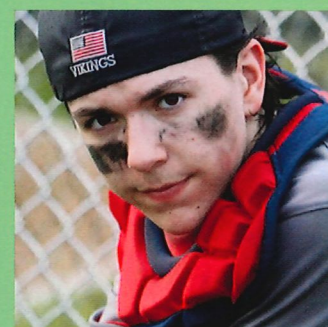

The 2018 track season was a good one and had multiple athletes that went on to districts. Five of them receiving medals. Nick Palonis, Tom Gilmartin, James Diaz and Brayden Thiel placed 5th in the 4x100 meter relay. Tom Gilmartin placed 3rd in high jump.

Boys' Baseball

The baseball team was a great group of kids, who had a great time. Although they didn't achieve the outcome they worked so hard for, there was never any quit in the boys hearts.

Back row: Christian Cimakasky, Sam Hartman, Michael Rickert, Jake Frie, Peyton Connor, Jason Holman, Tyler Quick, Erik Benzeleski, Zach Torba, Lou Stefanelli, Johnny Gilchrist, and Coach Davis.
Front row: Nathan Ludwikowski, Mike Antoniacci, Tony Defrancesco, Alex Torba, Devon O'Connor, Tyler Pawlikowski, Mike Moran, Jeff Higgins, and Alex Jaworski.

The Riverside Lady Vikes Softball team had a season to remember. Captains Julia Chiccheletti, Sierra Santarsiero, and Haley Tilberry returned to the field determined to make every game count. Hailey Scardo led the team with a batting average of .383 with 18 hits and 3 doubles on the season. Returning starters for the 2019 season Julia Antoniaci, Marli Hoskins, Haley Tilberry, Hailey Scardo, Alison Rempe, Kristen Lello, and Ashlyn McNally will surely miss the seniors.

Softball

Boys' Tennis

The Riverside Boys' Tennis team had a decent season. There was an outstanding shut-out against North Pocono (5-0) and many individual victories spread out over the roster. This year's roster included Noah Jennings, Kyle Creedon, Hunter Talipski, Charles Ponas, Drew Calianno, Nicholas Ponas, Luke Frie, Coby Sophabmixay, and Antonio Calianno. This is the end of seniors Noah Jennings, Kyle Creedon, Hunter Talipski, Drew Calianno, and Charles Ponas tennis careers at Riverside. The other members of the team are ready to carry on the legacy of the Riverside Varsity Tennis Team and hopefully have a successful season next year.

Spring Play

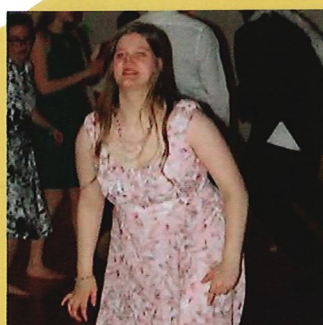

This year's school play was Footloose. Advised by Mrs. McDermott, the Riverside drama club took the audience to Bomont High where dancing is illegal. Ren McCormack, played by senior Brentyn Martin, leads a rebellion against the law of Reverend Shaw Moore, played by sophomore Todd Reedy. He does all of this while charming the Reverend's daughter Ariel Moore, played by junior Gabriella Costantino. The seniors of 2018 took their final bows in front of the biggest turnout in Riverside history. Opening night was a sold out show where some of the audience members had to even sit on the floor. It is because of the immense support from our school and advisers that the drama club is able to put on fantastic musicals like this one. Congratulation to everyone involved on a job well done.

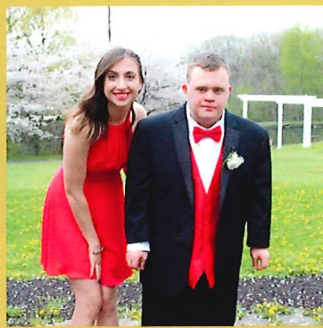

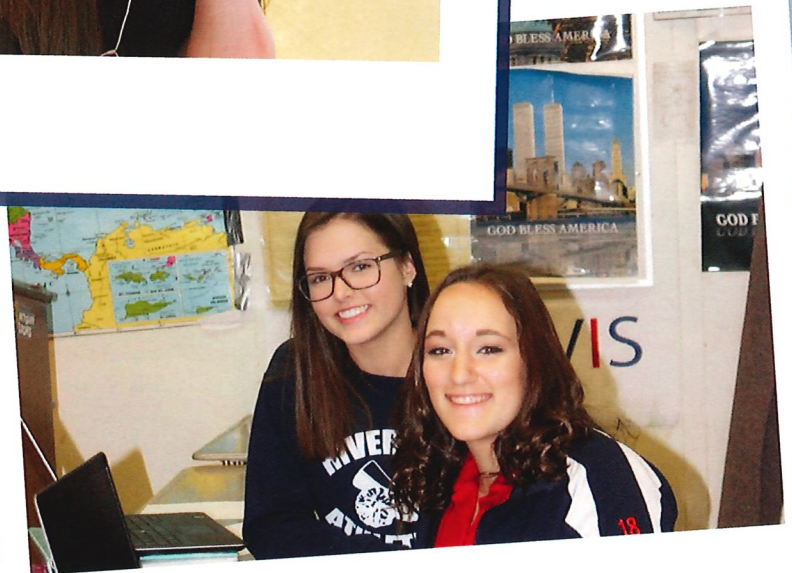

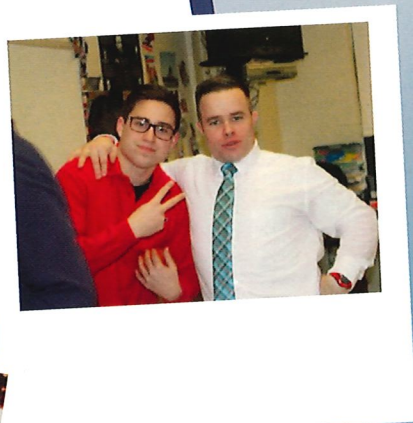

Life Skills Prom

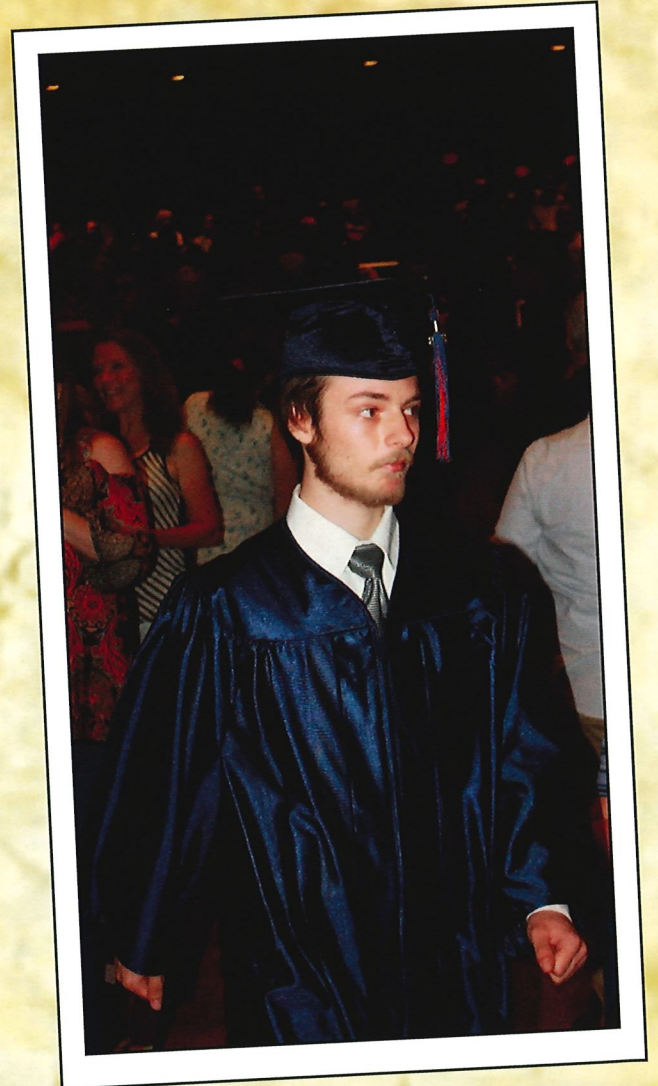

Seniors Kala Deininger and London Lovallo organized Riverside's 2018 Life Skills Prom. The Life Skills Class along with their dates toured the halls as students and teachers cheered them on. After, they went on a limo ride to McDade Park for pictures. While pictures were taken, dinner was prepared by Riverside's culinary class. When they came back to the school the kids ate dinner, as well as many desserts that were donated from local bakeries. Then to end their day, they danced to music provided by EJ the DJ. This day, May 4th, was filled with memories that will last a lifetime.

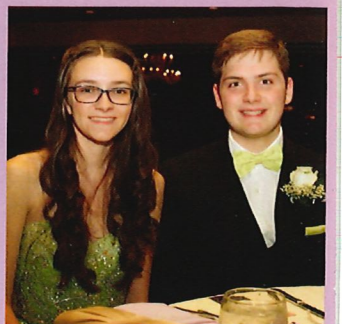

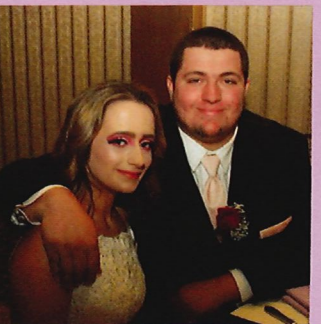

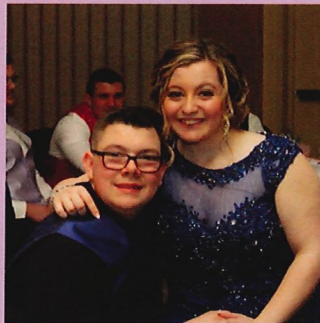

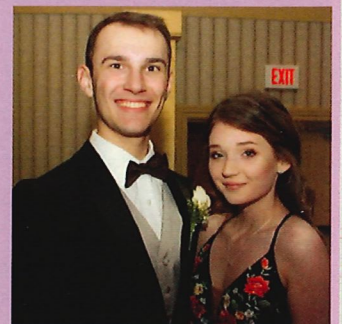

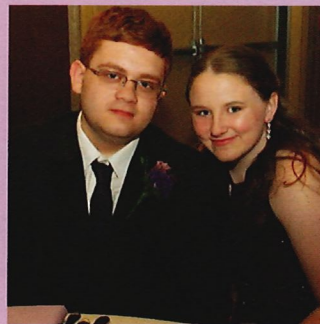

The 2018 commencement exercises were held on Thursday, June 14, in the Riverside Junior-Senior High School auditorium.

Class History

Setting: 2028. The ideal spot for a 2018 Riverside graduate, a parking lot.
Eric O'Malley and Tony DeFrancesco run into each other

E: Oh hey toe, long time no see

T: Yea, it's been a while, what have you been up to?

E: oh you know, nothing.

T: Same, everything has changed since High School.

E: Not TOO much can be different I mean, you're still in Sal and Kate's shadow right?

T: Yeah, we don't need to talk about that...

E: But hey, have you recovered since that time Evan hit you with his car?

T: It wasn't all that bad.

E: Haha. That reminds me of everything that happened during high school.

T: Remember in Roche's class when she accidentally made you burn your own hand?

E: Awe, I miss Mrs. Roche, especially watching her obsess over Sabrina's long hair everyday.

T: That was funny, but not as good as hearing her flip out on Jake for snapping at her.

E: Oh my god! So much happened. I'm so out of the loop these days. I don't even know the weather without Matthew Yatzun's weather reports.

T: I know! Do you remember when Kevin tried to kill me with that egg?

E: He was so precise with his practice shots too. Who knew that the egg would be coming for your head?

T: A lot of things happened in those halls.

E: Yeah, the halls were awfully loud too, but I'm pretty sure that was just Olivia screaming.

T: Or Gus and Brian blasting hispanic music on their laptops.

E: The teachers would get so mad, but nothing beats the time Tiffeny suplexed Hunter into that locker.

T: He deserved it, especially after he showered me in yogurt. I feel bad for Charlie, though he sure didn't need to nail his head off one.

E: Ouch, I remember that. People were so clumsy at Riverside. Remember when Kelly would trip going up the stairs?

T: Yeah, how about when she dumped tomato soup on Peyton's head

E: Poor Peyton..But Brooke M's gum falling out of her mouth everytime she played quiet ball was iconic.

T: True. Sierra A got the worst of it. She wiped out leaving McGee's back in 8th grade.

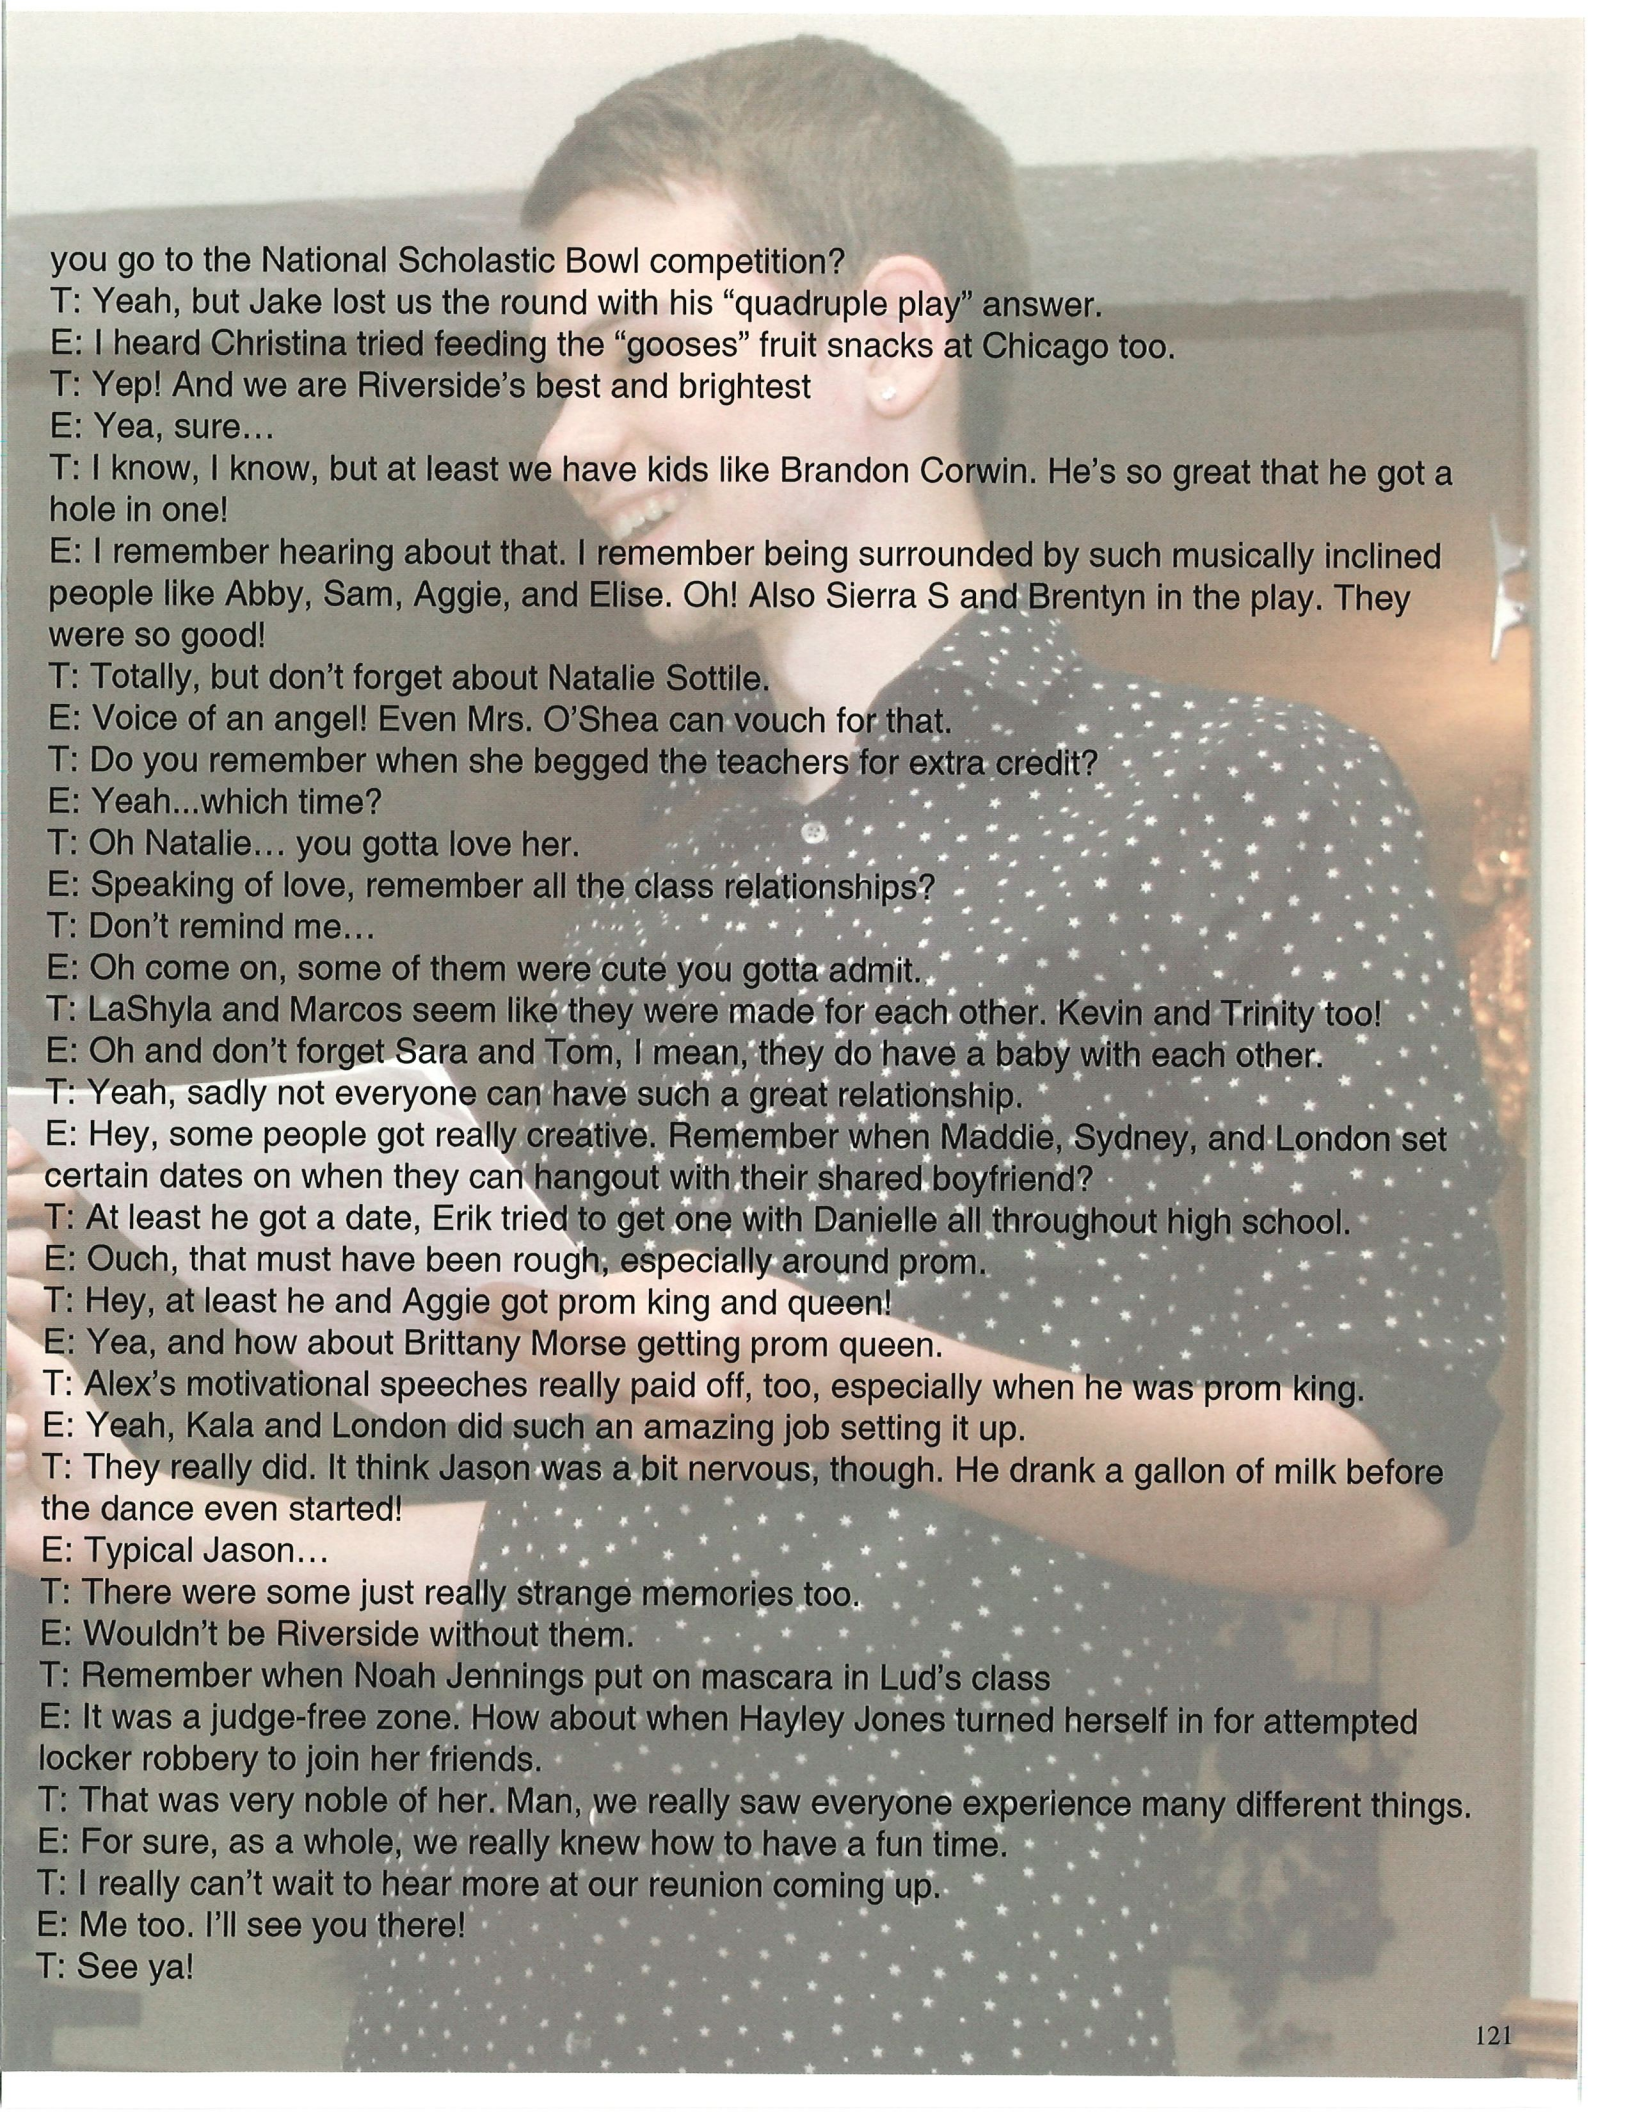

E: Hey, Kerilyn got hit with a bed ,of all things, by Mr. Reifler. Thank god she was okay, unlike Hailey Samsell and her countless concussions.

T: And Drew when he nearly drowned in Chase's pool.

E: At least everyone is okay now, hopefully.

T: Who really knows.

E: On a more positive note, we had some really talented people at Riverside. Hey, didn't

you go to the National Scholastic Bowl competition?

T: Yeah, but Jake lost us the round with his “quadruple play” answer.

E: I heard Christina tried feeding the “gooses” fruit snacks at Chicago too.

T: Yep! And we are Riverside’s best and brightest

E: Yea, sure...

T: I know, I know, but at least we have kids like Brandon Corwin. He’s so great that he got a hole in one!

E: I remember hearing about that. I remember being surrounded by such musically inclined people like Abby, Sam, Aggie, and Elise. Oh! Also Sierra S and Brentyn in the play. They were so good!

T: Totally, but don’t forget about Natalie Sottile.

E: Voice of an angel! Even Mrs. O’Shea can vouch for that.

T: Do you remember when she begged the teachers for extra credit?

E: Yeah...which time?

T: Oh Natalie... you gotta love her.

E: Speaking of love, remember all the class relationships?

T: Don’t remind me...

E: Oh come on, some of them were cute you gotta admit.

T: LaShyla and Marcos seem like they were made for each other. Kevin and Trinity too!

E: Oh and don’t forget Sara and Tom, I mean, they do have a baby with each other.

T: Yeah, sadly not everyone can have such a great relationship.

E: Hey, some people got really creative. Remember when Maddie, Sydney, and London set certain dates on when they can hangout with their shared boyfriend?

T: At least he got a date, Erik tried to get one with Danielle all throughout high school.

E: Ouch, that must have been rough, especially around prom.

T: Hey, at least he and Aggie got prom king and queen!

E: Yea, and how about Brittany Morse getting prom queen.

T: Alex’s motivational speeches really paid off, too, especially when he was prom king.

E: Yeah, Kala and London did such an amazing job setting it up.

T: They really did. It think Jason was a bit nervous, though. He drank a gallon of milk before the dance even started!

E: Typical Jason...

T: There were some just really strange memories too.

E: Wouldn’t be Riverside without them.

T: Remember when Noah Jennings put on mascara in Lud’s class

E: It was a judge-free zone. How about when Hayley Jones turned herself in for attempted locker robbery to join her friends.

T: That was very noble of her. Man, we really saw everyone experience many different things.

E: For sure, as a whole, we really knew how to have a fun time.

T: I really can’t wait to hear more at our reunion coming up.

E: Me too. I’ll see you there!

T: See ya!

Class Prophecy

Kerilyn Pon runs into Jake Frie at a random gas station.

K- Is that Jake Frie? What are you doing here?

J- I don't know Kerilyn, what do people do at gas stations?

K- I can't say I thought that I'd see you again.

J- Wow. So what have you been up to since graduation?

K- Well I recently took over as drama club director, this year's show is Grease.

J- That's great, I finally made it into the Senate.

K- Congrats, how's Sierra Santarsiero doing? I saw she has her own reality TV show.

J- Yeah, she's doing great. She's always filming somewhere, but she's happy.

K- That's great, Sabrina Alvarez told me she is leading a silent rebellion somewhere in the Middle East. Well she's trying to, it's hard to keep a rebellion quiet.

J- Well the Senate hasn't heard about it yet, so she must be doing a good job. Did you know that Kevin Kearney is an InfoWars Correspondent now?

K- InfoWars?

J- Its only the one credible source of news on the internet, duh.

K- I saw Dave Soriano became an archeologist astronaut. I guess he has his own excavation site on the moon.

J- Have you heard anything from Tony Defrancesco?

K- Do you mean Sal?

J- No. Tony.

K- I only remember Sal and Kate.

J- You don't remember Tony? The kid with the gross mustache who always fell asleep in class?

K- Oh. Tony! Yeah, he's still not as good as Kate and Sal.

J- Some things never change. I heard Christina Smith became a lawyer, is that true?

K- Yeah, and Natalie Sottile got a job as a professional bonus point persuasion artist.

J- Wow, didn't see that coming. Sierra told me that Natalie Schield got a job with Time Magazine as a photojournalist.

K- Yeah, I saw her photographs of the new colony on Mars. Did you see Hayley Jones won Dancing with the Stars?

J- Nope but that's cool. Her friends have really had a hard time since high school. Kayla Johnson lost her big toe in a shark attack while working as a marine biologist. Kaitlyn Minutes is a fugitive from justice after leaking info from the FBI, and John Donelan is the head officer working on her arrest.

K- That's nuts, I saw on the news that Sierra Anderson found a cure to the ebola virus while working for the CDC.

J- Poor monkeys. I heard that Joey Mancuso and Matt Yatzun are co-weather men on Newswatch 16.

K- Yeah, and Aggie Miles is my mail woman. I thought she was married to Eric O'Malley, but the last time I saw him, he was floating down the Lackawanna River in a cardboard box.

J- What a mysterious man. I recently read that Olivia Sokolowsky is a stunt driver.

K- Seems fun.

J- Have you heard from Sam Labrosky or Abby Fairclough?

K- Yeah, Sam is a professional fish tank cleaner and Abby is the Deli Manager at Rays. Elise Hummel is Taylor Swift impersonator, and Valerie Genao is a sign language instructor.

J- She was really quiet, sign language is perfect for her.

K- Yeah. Do you know what happened to Mackenzie and Brooke Mickavicz?

J- I just read Mackenzie's most recent article in Vogue. she's making her way up to running the fashion world, and I think Brooke got into medical imaging.

K- Yeah, her, Alyssa Lenzer, and Danielle Golosky.

J- I heard Danielle has like 12 kids.

K- Only 7, Sara Canavan and Thomas Gilmartin have like 6 kids too. Tom followed his dreams of being a game warden in Alaska and Sara is a school counselor in Fairbanks.

J- Did they ever get married?

K- Yeah. Do you remember when he proposed on class night during the class prophecy? Crazy stuff. I saw Hailey Samsell is an inflation expert.

J- Wow that's impressive. There was a lot of people in our class that went into special education, right?

K- Yeah, Kelly Miller, Julia Chickaletti, London Lovallo and Kala Deininger did. There was a bunch of us that went into early education too.

J- Doesn't Julia have like 8 kids?

K- Yeah, I see pictures of them all the time on Facebook.

J- I heard Jamie Gerrity and Laura Murphy opened their own daycare. And Brittney Morse works there **with them**.

K- That's cool, I know Laura lives in a bubble with 20 dogs. Sarah Urban also went into early education, teaching kids abroad.

J- Little did anyone know, we actually had a lot of athletic potential at Riverside. Brayden Theil and Chase Briskie made it into the NFL and Peyton Connor and Tyler Quick made into major league baseball.

K- I heard Quick's arm disintegrated and he's the only one armed little league umpire in the country.

J- I think we all knew it would come to that. I saw Elisandro Fuentes made it big the soccer world, and Marcos Echevarria went into the NBA.

K- Whatever happened to him and LaShyla Rybitski?

J- I heard they eloped and fled to Puerto Rico; she's still in school to this day.

K- Good for them, I saw Skyler Santiago became a video game designer and Tyler Soltis became an NBA broadcaster.

J- That's cool, I heard Devon O'Connor is the new Riverside Basketball Coach, and Mia Capalonga runs the Taylor Jr Vikes.

K- Go Vikes. Breana Olanovich is my accountant. She told me that Nick Palonis competes in glue stick eating contests.

J- Yum. Did you see Kyle Besecker in a World's Strongest Man competition the other day?

K- I guess Beef was a fitting nickname. Erik Benzeleski still wears his prom king crown down on the hard streets of Lower Moosic.

J- I'm not surprised. I heard Evan Carruba is a podiatrist now, and Brandon Sensi is traveling the world searching for promising hair growth products.

K- Well that sounds like fun. I saw that Brandon Carroll is an occupational therapist.

J- I'll have to schedule an appointment after this conversation, are he and Sofia Genao still together?

K- I think so, I think she is a cosmetologist now.

J- That's cool, I think Alondra Vazquez is a hairdresser.

K- Yeah, I heard she styled Beyonce for the Grammys the other night. I saw that Moreima Cruz is a supermodel and Genesis Dumeng is somewhere in France.

J- I wish I was in France. I was at Planet Fitness last week and saw that Raymond Buck is a trainer.

K- Whatever happened to Charlie Ponas, Kyle Creedon, and Drew Caliano?

J- Charlie and Kyle are professional Smash Bro players. Drew is a lumberjack.

K- I knew that beard meant business. Have you heard from Hunter Talipski recently?

J- Not recently.

K- I thought I heard he went into filming satirical cartoons but I don't know for sure.

J- Sounds like something her would do. I saw that Hailey Swingle and Hailey Hopkins own a chain of Dunkin Donuts.

K- Yeah and Brooke Walters owns McDonald's.

J- Good for them.

K- Whatever happened to the Torbas?

J- Alex owns a 100 acre wheat farm and Zach is a game warden for the state of California.

K- I heard Tyler Pawlikowski lives out there too, he's a lawyer, doctor, supermodel, vocabulary specialist, philosopher, narcissist, gym teacher, astronaut, and pharmacist.

J- He's a good dude.

K - Woah, look over there, is that Noah Zippittelli on the cover of Beautiful Beards monthly?

J- Yeah, it looks like it hasn't had a trim since graduation. Are he and Maddie Evans still together?

K- I thought so, but then I heard that she just took off one day and no one's heard from her since.

J- Have you heard from Lea DeStefano or Noah Jennings?

K- I heard they got married. She doesn't really go out much.

J- I guess that's the hermit life. I heard that Marie McHugh is a marathon runner now.

K- Good for her. I saw that Alex Medina-Belles is a famous hip hop dancer.

J- Really? That's great. Have you heard from Brentyn Martin or Gus Mejia?

K- They are both still stuck in Bomont.

J- Not surprised. Whatever happened to Kyra Polidori?

K- She loved her tattoos so much, she became a tattoo artist. What about Noah Matsko?

J- I think I heard he's a hair model for some shampoo company.

K- Sounds like fun. I have to go soon, one of my 19 kids has a dance class instructed by Sydney Wigley later.

J- Your kids go to Juilliard for dance classes?

K- Yeah, it's kind of a big deal.

J - Weird question, but do you know what happened to Alyssa White or Brady Hueg?

K- Who? Ohhhhhh, I haven't seen them since 7th grade.

J - Yeah, you probably haven't heard about Johnny Ramos Gonzalez either, he's chilling with Amelia Earhart and Tupac somewhere in the Caribbean.

K- What about Noah Skoranski?

J- I heard he went into the Marines.

K- Go Vikes. I'm starving from all this remembering, what do you think Jake, should I go to Augustines or go to that new French place downtown where Brian Cruz is actually the executive chef?

J- Isn't Trinity Gable the new owner of and executive chef at Augustines? I'd try the new French place. He always made good food in Home Etc.

K- Not a bad idea. Have you heard from Madison Scardo?

J- Cody Hauswirth told me she was traveling the world.

K- Sounds like fun, I saw he made it big in Nascar. He's the lead of a pit crew.

J- Who knew so many of us would end up famous? Go Vikes.

K- Speaking of fame, Jamie Greenfield is looking to be the next Serena Williams.

J- And another thing, Tiffany Doran just released her newest country album.

K- I'll probably just pirate it to be honest.

J- Sorry about the interruption, I just got my 15th notification today from Jazmine Hamilton's cat photography page.

K- You'd think 20 cats would be enough but she just keeps on going.

J- Don't you judge her.

K- Sorry, jeez.

J- Alright, I'm already late to my tour of Jason Holman's dairy farm, I have to go.

K- Doesn't he prefer it straight from the udder?

J- I would not be surprised, I'll let you know.

K- Alright, see you later bud.

J - Bye, be sure to vote for me this November.

K- I won't.

Salute

Remember the halls of Riverside?
The Viking chants were booming
Full of pride- apprehensive, too
With graduation looming

2018's graduating class
Conquered the challenge of grades
Ready to proceed to college
Where our futures will be made

Seventh grade was five years ago
When our options started to open
And we learned about adulthood
Creating friendships that remain unbroken

Scholastically, our athletes were tested
Warriors, competing in a Bowl
Breaking barriers and making magic like none in years' past
All wanting a united stroll

We'll miss our youth; the innocence we shared
We'll be missing the lead of our teachers
We're on our own, now
And things will be harder
While we work toward those college grad bleachers

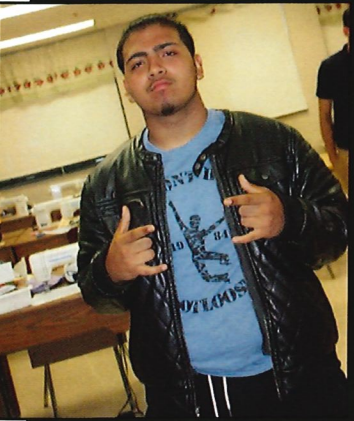

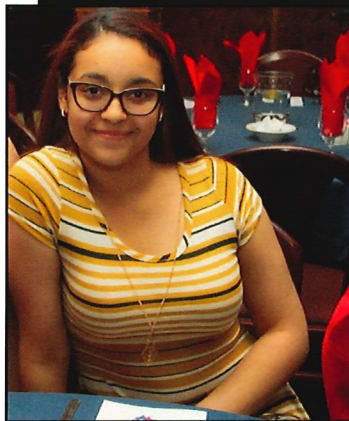

Our journey together was challenging and fun
We've had the best times of our life here
We'll cherish our memories
Reminisce o're old times
And continue to grow, year-by-year

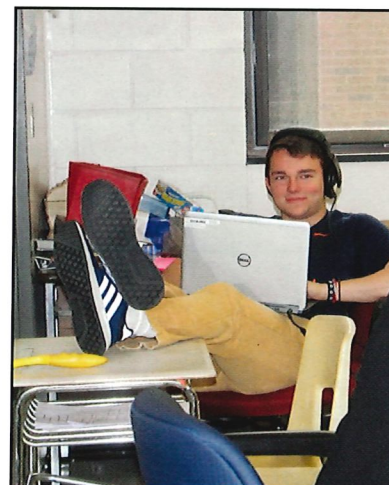

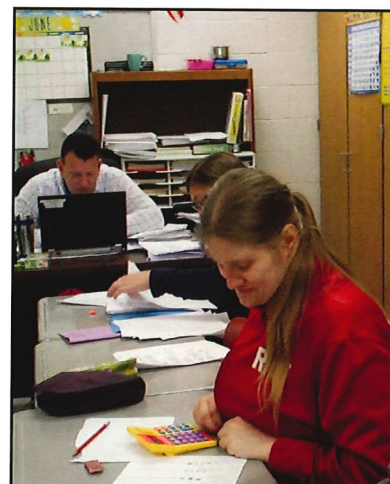

Goodbye to the halls of Riverside
And to all of the teachers who cared
Farewell to the classrooms that held us
And hello to our majors declared

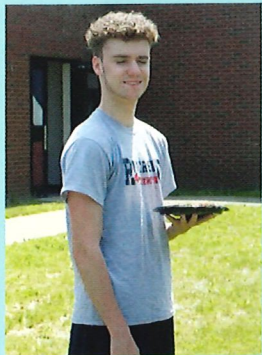

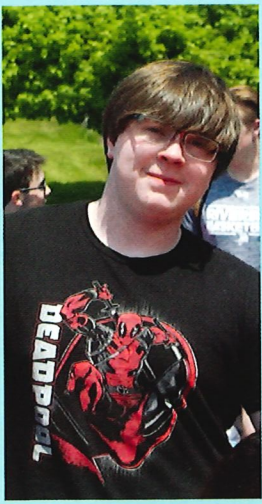

We look to you, sweet Riverside,
As the place we became who we are
And we take you with us, to our future
That was once just a wish on a star

We are not the only ones saying our goodbyes to Riverside. After decades in Riverside (with just a little time off to attend Penn State... go Nittany Lions!), our beloved Miss Lud is retiring. She is a force to be reckoned with (and not just because of her fabulous shoes!) She was always there to do more than just teach us; she was there to cheer us on, to lend an ear, or give a shoulder to cry on. She is one of a kind and will be missed. Enjoy your much earned retirement, dude!
