# LIFE SKILLS

Students in Mrs. Weidow's Life Skills class engaged in many activities throughout the year including dressing for Halloween, preparing a holiday lunch, and welcoming a special visitor from the North Pole.

# CHECK IT OUT! HALLOWEEN AT RIVERSIDE

On Thursday, October 31, 2019, the spooky presence of Halloween encompassed the halls of the upperclassmen. The 11th and 12th grade students expressed their creativity by dressing up in their favorite Halloween garb.

# SOCCER

Despite the ups and downs that go with the balance of sports and comradery, this varsity soccer team had no intention of stopping what they started. On September 10, 2019, varsity soccer upheld their previous year's title as the winners of the Triboro Cup with a 5-2 final score against the Old Forge Devils. The future of Riverside soccer seems to be on the rise. Coach Steve Kulikowski explained, "With only having four seniors and two juniors on the team, we were forced to play with younger kids, so this year was definitely ours for the taking."

For the first time in Riverside's soccer program, the varsity team qualified for tournaments, entering as the 8th seat. They played their last game against Wyoming Seminary College Prep High School. Unfortunately, they were defeated 1-6. Despite their loss, it was the furthest the soccer program had ever advanced with junior Brandon Reed breaking his own scoring record from last year. They ended their victorious season with a record of 5 wins, 1 tie, and 9 losses. Seniors are leaving with their heads held high, knowing that they are leaving the future of Riverside's soccer program in the hands of a bright and dependable team.

# GIRLS' TENNIS

*First row: Jessica Fernbach, Allison Rempe, Marley Stambaugh, Kaylee Ralston, Abigail Walsh and Katrina Azarsky.  
Second row: Coach Thomas, Bella Aniska, Karissa Ghigiarelli, Allie Nenish, Bella McKeefery, Alese Karpinski, Emily Taylor, Rita Lin, Jo Barry, and Kaia Gaylets.*

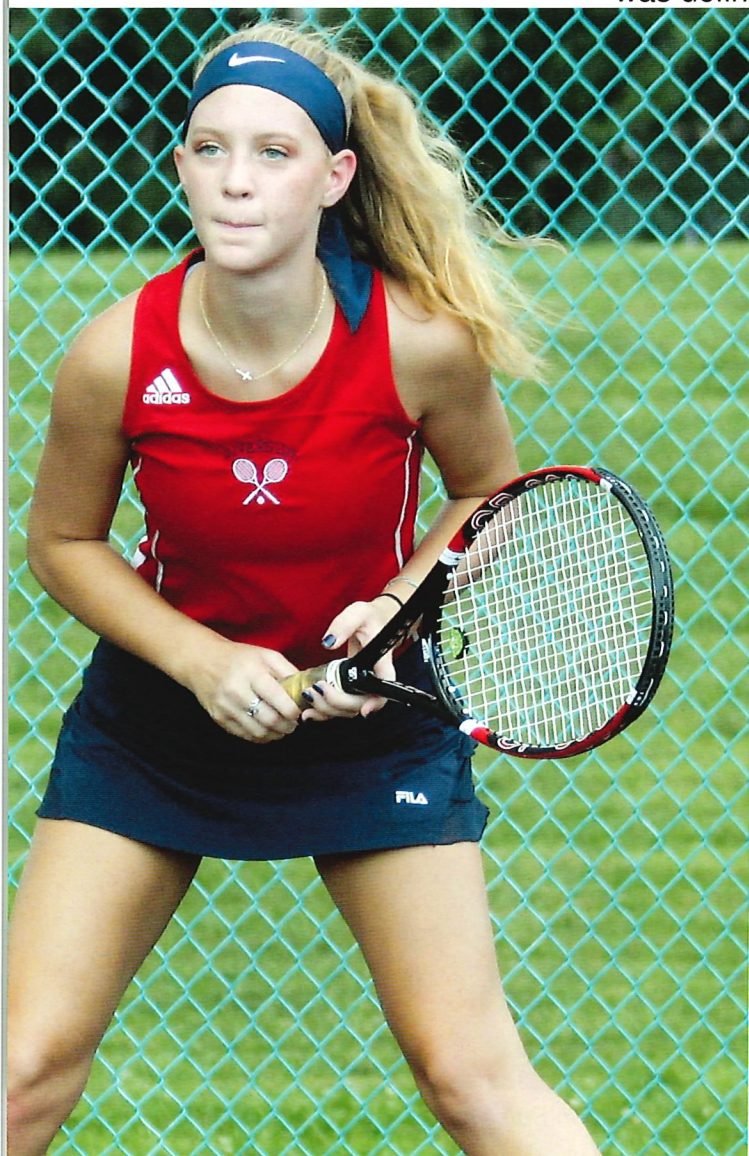

With one win in the 2018 season, the Riverside Lady Vikes tennis team more than tripled their wins in 2019, and made it to team playoffs which has not happened in almost a decade. Their winning season started with a home victory against Delaware Valley in August. From there, the "W's" kept rolling in. Victories against North Pocono, Valley View, and Dunmore all added up to a great season.

Returning sophomore, Karissa Ghigarelli, represented the Lady Vikes in the PIAA Singles State Playoffs and brought home the gold. Freshman Bella Aniska and senior Allison Rempe were both counted on to bring the team more points for that day's match with Bella Aniska winning her match against Tunkhannock to help the team move to the second round of playoffs. Juniors Emily Taylor and Alese Karpinski were an incredible doubles team with only 4 losses the entire season. Senior co-captains Marley Stambaugh and Abby Walsh brought cheer to the entire team and showed the ropes to the 8 new players. Overall, the 2019 tennis team was definitely one to remember.

# CROSS COUNTRY

Riverside's varsity cross country team had a terrific 2019-2020 season. Under the tutelage of Coach Bednash, each member of the varsity team, composed of Gavin Beck (senior), Caden Sutcliffe (senior), Calvin Sutcliffe (senior), Maria Castaldi (senior), Josh Godlewski (junior), and Jeffery Higgins (junior), ran their personal best.

Gavin achieved a personal record of 17:31 and placed 1st at 3 meets, 3rd at 3 meets, and 4th at 1 meet. Furthermore, he became the top AA runner in the Lackawanna League in addition to advancing to the PIAA State Championships. He was ahead of all runners who finished before him in the District II race resulting in him being ranked 70th in the state out of 228 runners.

Caden earned his best time of the season (25:25) at his very last race. His brother, Calvin, placed in the top 30. The twins have been running cross country since their sophomore year and said that the laughs shared throughout their running years made their high school experience unforgettable.

Maria, who has been running varsity cross country since tenth grade, ran her personal best (24:44) at her last meet of the season. Coach Bednash gets credit for encouraging her to complete the same workouts given to the boys. Moreover, her name was reported in the newspaper three times for placing in the top 15 out of girls at those meets.

Godlewski's best placement this season was 3rd in the last regular meet. At districts, he placed 24th in the AA race and bettered his time from last year by 1 minute and 30 seconds. He has been a member of the team since he was in tenth grade.

Jeffery has been running varsity cross country since his sophomore year. He finished in the top 15 for most races and had a personal record of 19:11 this season, finishing in 8th place.

Coach Bednash applauds all the members of his team for their hard work and dedication. Even though some may not continue their running careers, they will enter another phase of their life knowing what it takes to be successful.

*2019 Golf Team*

*First row: Amelia Melnick, Sophia Battaglia, Cassie Jenkins, Lindsay Grzybowski, and Jennifer Genell.*

*Second row: Ryan Visotski, Connor Monahan, Robbie Castaldi, Casey O'Brien, Michael Maslanka, Antonio Zyats, and Brandon Reed.*

*Third row: Coach Lindsay, Joey Kulikowski, Andrew Sesso, Carl Walsh, Collin Kneiss, Hunter Geise, Todd Monahan, Conno McKeefery, and Coach Yarem.*

The 2019 Riverside Golf team found success after a lackluster year in 2018. Leading the way was Junior Todd Monahan, who consistently shot the best on the team and set the tone for the team. Carl Walsh, Connor Monahan, Brandon Reed, and Collin Kneiss rounded out the starters for the team that finished 8-6.

The Riverside golf team clinched its first playoff berth in two years where they had a hard fought loss to Carbondale 6-3. The team had long lasting memories including yet another Big Cup win against Old Forge. The Vikings also won the Pine Cup after defeating Old Forge and West Side. Senior Collin Kneiss had a magnificent season on the team.

The addition of the new coaches proved to be a big help as well. Coach Lindsay set the record for fastest time eating a McDonald's Big Box while Coach Yarem might go down with some of the shortest drives in Riverside history. The team had many bright moments together including a lot of pizza, Vis's pushcart, and Hunter's "Bobby" impression.

This Riverside golf team might not go down as the best team in Riverside history but they most certainly will be remembered for having the most class and golf etiquette.

# FOOTBALL

The 2019-2020 varsity football team was one for the history books. Although the Vikes went 5-6 after 11 weeks of play, multiple records were broken. From the most touchdown passes and catches in a single game to Razen shattering the LFC single season receptions record with 81 catches, it was a season to remember. Razen broke not only the LFC receptions record, but he also broke the school's 22 year old receiving yards record with 1883 yards in only two years. The season may not have ended the way anyone hoped for, but the memories created will last a lifetime. Most players won't remember the specifics of their senior season, but they will remember the best moments... dancing with Coach Marty after the wins... the excruciating heat from doubles and the amazing food we were spoiled with... winning back to back years at PNC Field against Mid Valley with Diego's onside recovery with 50 seconds left in the fourth to set up Barstool Kicker's (Ryan Semyon) last second 32 yard field goal... Jaws being the clown he is day in and day out no matter the event... Timmy trying to relive his glory days as a quarterback... the insane catches Kristian had... Lima puking every single game and Semyon running out with a porcelain donkey... signing the sword and their final walk. Everyone will remember us. While most of us will forget our senior seasons, we will remember the best moments.

Yes, we were one for the history books. With different records being broken seemingly every week, one thing going through everyones head was that we were something special. We came together and fought week in and week out. No other group can compare to us with the amount of adversity we'd faced and conquered. From the long practices we endured to the show we put on under the lights, nothing will ever compare to us. The hard work we put in shows we had the grit and determination to strive for greatness. From breaking records to broken hearts, we'd done our best. Although the season flew and the outcome was unexpected, the memories created will stick with us. Everyone will remember karaoke in the showers and dancing with Coach Marty after the games. Everyone will remember the spectacular plays. Everyone will remember who we were.

# CHEER

The 2019-2020 cheerleaders cheered under the Friday night lights from August through November by dancing below the stars at every home half time show and bringing spirit to the crowd. Starting in December, they took to the court stomping and cheering for every three point shot. On February 16, Miss Viking, Amanda Merrick-Tompkins, led the Annual Unit show, Unleash Your Inner Sparkle. After weeks of practice, they danced their hearts out on stage. Throughout the season, the cheerleaders created unforgettable memories with one another while spreading spirit across the Viking community.

Then, they won two games in the state playoffs before losing to Trinity. Another memorable moment was when junior Michael Rickert scored his 1,000th point! It was a great season that will be remembered fondly.

# GIRLS' BASKETBALL

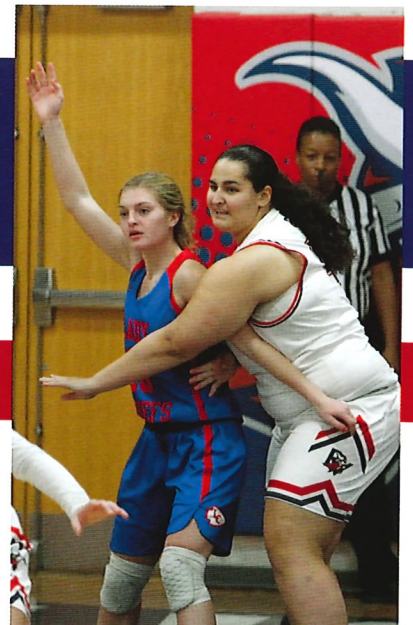

This winter was a great one for the Lady Vikes of Riverside. The girls, lead by team captains Leah Hodick, Maria Laboy, and Allie Nenish, finished the season 21-3. The majority of the scoring for the Lady Vikes, who averaged 60.1 ppg, came from sophomore Kylie Lavelle who averaged 21.1 ppg for the team. Along with the points, wins, and success, the Lady Vikes enjoyed lots of sweets including Emily's famous chocolate chip cookies and Bella's birthday cupcakes.

The Lady Vikes starting five, which included Kylie Lavelle, Emily Taylor, Alese Karpinski, Kayla Rose, and Leah Hodick, accounted for 90% of the team's points on the year and was the driving force in many key wins including multiple wins over Holy Cross, Lakeland, and cross-town rival Old Forge. Included in the 21 wins was the team's win over West Scranton for yet another Taylor Lions Tournament championship.

The team had a lot of great moments off the court as well including team dinners, Tik Toks, the John Mendola Show, and just having fun. This season will be remembered for multiple Happy Birthday chants from the student sections, 40 point games from Kylie, and most definitely the cookies. Those were some amazing cookies!!!

## WHAT IS SOCIAL DISTANCING?

**THE CENTERS FOR DISEASE CONTROL** asked everyone to take intentional actions to avoid passing the coronavirus from person to person. Anyone who didn't feel well was asked to stay home. In day-to-day life, social distancing meant staying away from places people gather and staying at least six feet from other people. That meant no eating in restaurants, no movies or plays and no attending sports events. For younger kids, it meant no playgrounds, playdates or sleepovers. For adults, it meant no trips to the gym, salons or restaurants. The CDC also advised that people cancel all non-essential appointments, including surgeries or medical procedures that weren't critical.

## SEVERE MEASURES

**STATES WITH HIGH LEVELS** of positive COVID-19 tests began issuing shelter-in-place orders. Residents were only allowed to leave their homes for essential tasks such as getting food or seeking medical help.

### » HOW WE DEALT WITH THE SPREAD OF CORONAVIRUS

#### First steps

- Limited travel out of the country was a first step.
- Experts suggested self-quarantining for those who had recently traveled or were feeling sick.
- New cruise travel was canceled and passengers returning from foreign cruises were quarantined.

### » HOW COMPANIES HELPED

- Many companies that offer online learning resources and services, started allowing teachers to use their resources at no charge.
- Adobe began making its Creative Cloud software available for students to use at no charge.
- Burger King started giving away free kids meals to help make up for children who are not being fed because they are not in school.

- U-Haul offered 30 days of free storage for college students who had to move out of their dorms with little notice.
- Many grocery stores began providing senior-only shopping hours so that older citizens could shop with less chance of being exposed to the virus.
- Big box stores, such as Walmart, adjusted store hours so employees could properly clean and sanitize the store and restock the shelves.

- Cosmetics and liquor companies both have alcohol on hand, and some opted to make hand sanitizer at their facilities.
- Companies, such as Apple and Facebook, that had extra masks left over from the California wildfires donated them to hospitals.

#### Next steps

- Schools closed with varying reports of trying to resume later in the spring. Students began online learning.
- People who could began working from home and managing their homebound students.
- All sports — from Little League to professional — and entertainment including Broadway and television shows with a live audience, suspended operation.
- States limited gatherings — first large gatherings, such as conferences, and then even small gatherings of 10 or more people. This effectively closed restaurants causing many to convert to take-out only.

## TOILET PAPER HOARDING

**AS FEARS ROSE** over the idea of shelter-in-place orders and quarantine, toilet paper became scarce as consumers decided to clear shelves of TP, hand sanitizer and cleaning supplies. Retailers resorted to limiting the number of packs that could be purchased at one time. We weren't alone, according to CNN, stores in Australia hired security guards to keep the peace in the TP aisles.

#### TP by the numbers:

- About 90 percent of the TP sold in the U.S. is also made in the U.S.
- The average person uses about 100 rolls each year.
- Approximately 75 percent of the world's population doesn't use TP.
- They do use TP on the International Space Station.
- Normal daily production is more than 83 million rolls per day.
- In the U.S., packaged TP first became available in 1957.
- One company advertised splinter-free TP in 1935.

# *Graduation*

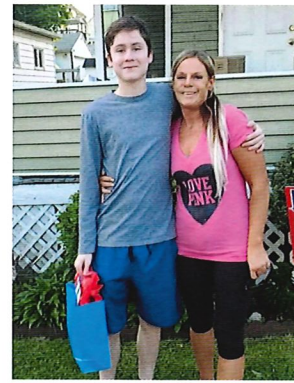

# ADOPT A SENIOR

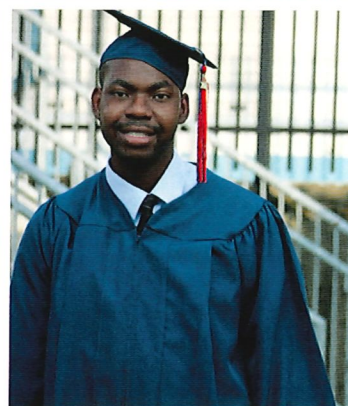

# GRADUATION

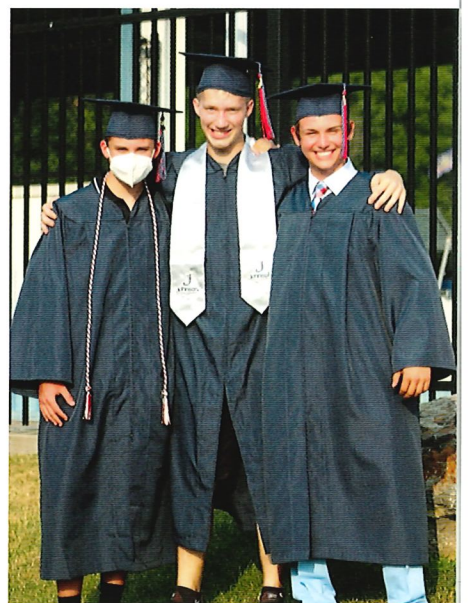

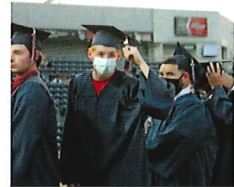

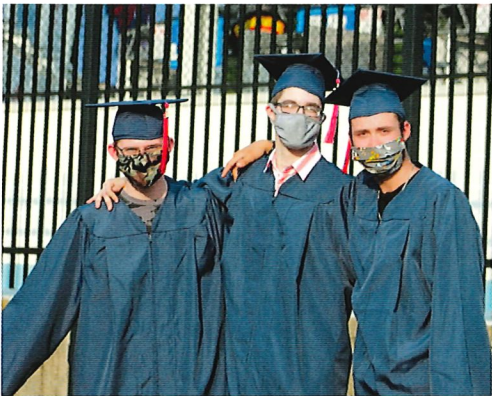

This was not the end to senior year that any of us envisioned, but it is one that will most definitely be remembered by everyone for years to come. When we were finally able to graduate on July 9, we didn't walk across the stage of Riverside Junior-Senior High School like we had imagined but rather across the diamond at PNC field. The Covid 19 pandemic required us to practice social distancing and wear masks. The safety measures in place may have required us to be physically six feet apart, but we were united one in heart as we ended our high school career.

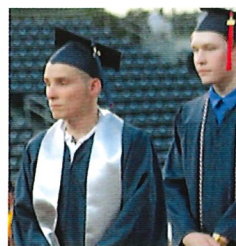

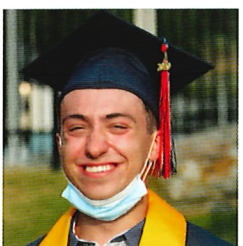

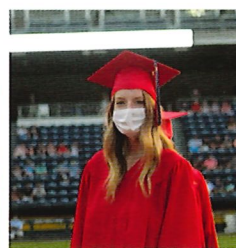

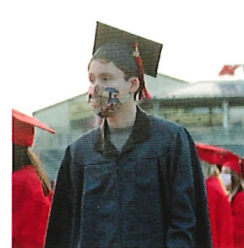

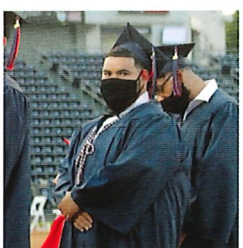

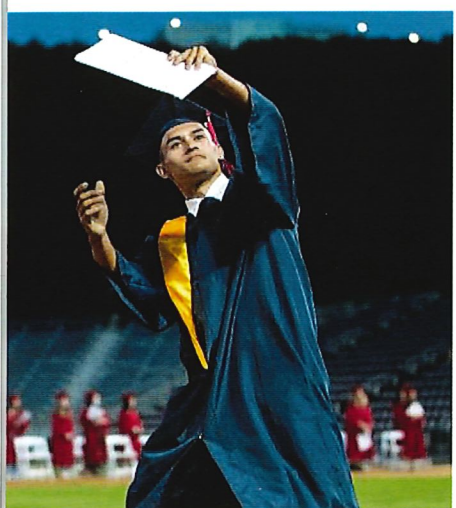

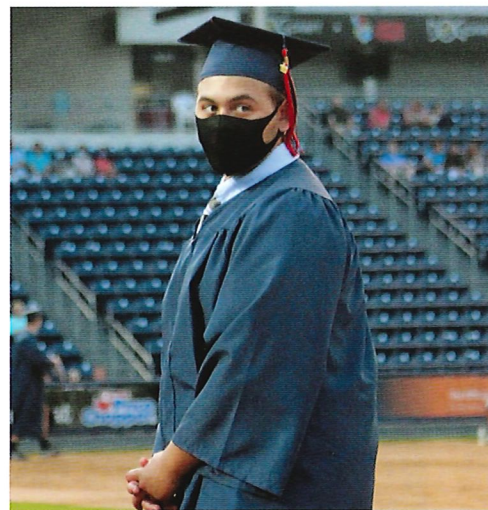

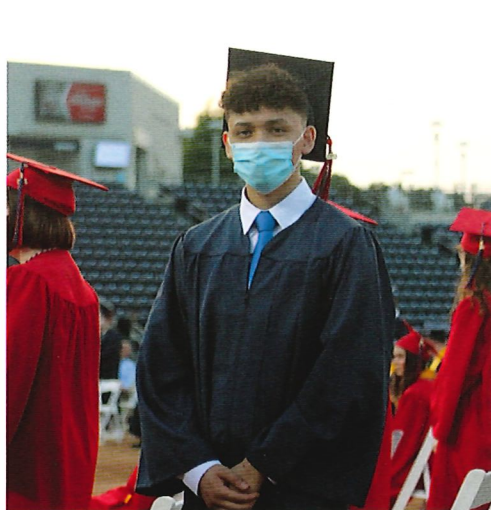

On Wednesday, May 13, the term drive-thru got a whole new meaning. Seniors did a "drive-thru" the circle in front of the school to get a yard sign dedicated to the class of 2020. Before getting to the giveaway, students were greeted by teachers both past and present who wanted to show their support for the class that is "virtually" like no other! Even the Taylor fire department was there with ladders up on their trucks for seniors to drive under. This is not the senior year anyone imagined, but it is definitely one that will be remembered.

We are not the only ones saying goodbye to Riverside. After decades as a teacher, vice principal, then principal, Mr. Moe is saying farewell also. Though his title for the past 20+ years has been that of an administrator, he never stopped being a teacher to everyone. Always there to listen or lend a hand, he was a constant presence in our school and will be missed by students and faculty.

## HAPPY RETIREMENT!
